Message from the Mayor

You speak – we listen. Some may recall the city recently engaged Wright State University to survey you about our city. We have been reviewing the results of that survey to fine tune how we provide services to you. One finding from that survey was the great value you place on this Hometown Guide. Those sentiments are echoed by my own personal experience. My family regularly refers to the Hometown Guide for recreation programming information, important telephone numbers and to obtain accurate city information. In an increasingly digital age, we found that an overwhelming majority of you still rely upon this source of information to keep you connected with your city. Therefore, we are providing.

Starting with this issue of the Hometown Guide, we are changing our publication schedule. The “full” Hometown Guide will be published on a quarterly-basis. This will allow our city departments to better target the information that needs to be sent out to the season of the year. It will allow our recreation programmers more time to prepare programming and advertise it to the public. Our city-wide Marketing Team will be shepherding the process.

You will notice also a change in the look of our book. It goes along with a re-branding process that our City is currently undertaking. Throughout the coming months, the City will be looking at “who we are and how we are seen.” And then asking, “who do we want to be and how do we want to be seen.” Dimalanta Design Group has been working with the city to begin this process of introspection and development. We will continue to take the things we learned from our city survey and our discussions with you to consider our city’s mission and implement strategies to fulfill it. I invite your comments to myself, other elected officials and our staff as we embark on that process. Sharonville has a great base to build on. This was demonstrated by our recent designation as the sixth best city in Ohio to start a business by the national financial services website, nerdwallet.com. The future for Sharonville is promising with this foundation. Enjoy your summer and all that the City of Sharonville has to offer you.

Aggregation Update

Dynegy Energy Services (formerly Duke Retail Sales) has been selected to supply the City of Sharonville’s new Electric Aggregation program. The program runs from June 2015 through December 2017 and offers a low fixed price of 5.77 cents per kWh. Residents and small businesses participating in the recently completed aggregation program, as well as residents and small business using the local utility for electric supply, should have received an opt-out letter from Dynegy regarding the new program on or around May 10.

Residents or small businesses already under an agreement with another alternate supplier, were necessarily excluded from the mailing. Residents new to or recently relocated within the City, may not have been included in the mailing.

If you did not receive an opt-out letter, but would like to be included in the City’s electric program, you can call Dynegy Energy Services toll free at 1-844-672-9102 to enroll. Have a copy of your utility bill handy and specify The City of Sharonville Aggregation Program. It may take one to two months to effectively enroll you as timing is based on your utility meter read date. Please exercise caution and review the terms and conditions of any current alternative supply agreement you have before enrolling as some agreements may include penalties for early termination.

IGS Energy has again been selected to supply the City of Sharonville’s new Natural Gas Aggregation program. The program runs from June 2015 through June 2017. Initial pricing is a variable rate calculated as NYMEX futures settlement price x 103.5 +$0.089 per ccf. Throughout the program, the City has the flexibility to lock in a Fixed price for one or multiple months if desired. Residents and small businesses participating in the recently completed aggregation program, as well as residents and small business using the local utility for electric supply, should have received an opt-out letter from IGS regarding the new program on or around May 21.

Residents or small businesses already under an agreement with another alternate supplier, were necessarily excluded from the mailing. Residents new to or recently relocated within the City, may not have been included in the mailing.

Enrollment is limited to those receiving the opt-out mailing. If you did not receive an opt-out letter and believe you should have, contact the City’s energy consultant, The Utilities Group, at 513-481-7954. Jennifer or Dana can help determine eligibility.

If you would like additional information regarding either aggregation program, feel free to contact Jennifer or Dana at The Utilities Group at the phone number listed above.
The City of Sharonville Tax Office staff will be happy to provide assistance. If you are in need of forms or have any questions regarding current year estimated payments, the filing of the annual City of Sharonville income tax return, prior year return(s) or employee withholding, please feel free to call or visit the Tax Office. Forms, including fill-in forms that assist in calculating the tax for you, are available on the Sharonville website at www.sharonville.org. The office is open Monday through Friday from 8:30 a.m. until 5:00 p.m. While no appointment is necessary, tax return preparation assistance will only be provided until 4:30 p.m. The location and mailing address of the Sharonville Tax Office is 11641 Chester Road, Sharonville, OH 45246. A drop box is also available for your convenience.

Tax payments may be made through Official Payments either online or by phone at 1-800-487-4567. Official Payments does charge a nominal fee for this service which may be calculated using the fee calculator available. The City of Sharonville Tax Office continues to accept payments in person and by mail to provide taxpayers with cost effective tax payment options.

Declaration of Estimated Taxes:

• The remaining quarterly payments are due by July 31, October 31 and January 31 for individual taxpayers or the 15th day of the 6th, 9th and 12th months after the beginning of the taxable year for business taxpayers.
• Estimated tax payments are required and penalties are assessed for insufficient declaration payments.

Note: If at least 90% of a taxpayer’s tax liability is not paid by the 4th quarter due date, the difference between 90% of the tax liability and the amount of estimated tax paid on or before the 4th quarter due date shall be subject to the interest and penalty provisions of Section 171.10 of the City of Sharonville Income Tax Ordinance.

Property Taxes

• The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. The City of Sharonville does not receive property tax dollars from city residents or businesses, and is proud that a municipal property tax has not been levied in over 30 years.
• For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor’s office at (513) 946-4000 or the Butler County Auditor’s office at (513) 887-3154. Links to these offices are available on the Sharonville website.
Curbside Recycling Is In Full Swing!
The City of Sharonville has completed a full year of curbside recycling. Our residents have cooperated and eagerly met the challenge to recycle. If you do not have a recycling container or you want to exchange your smaller recycling container for a larger 95 gallon container, please call Rumpke at 513-851-0122 to schedule a drop-off or exchange.

Congratulations to all the residents who recycled in 2014. Sharonville recycled 687.72 tons of metal, glass, plastic and paper. On average, each household that recycled in Sharonville recycled 221 pounds – that’s 14.47% of all waste collected in 2014. We look forward to an even greater recycling rate for 2015!

The recycling efforts in Sharonville:
• Conserved enough energy to power every home in Sharonville for 5 days
• Reduced more air pollution than if every household in Sharonville rode their bicycle to work for 4 weeks
• Saved 5,754 trees from being harvested

Recycling saves resources, conserves energy and reduces pollution. Recycling also boosts our local economy by creating 169,000 jobs (4.3% of all jobs) in the state of Ohio. Thank you Sharonville for all your recycling efforts over the years – keep up the great work!

Installing A New Driveway Or Drive Apron
You must obtain a permit to install a new driveway from the Sharonville Building Department. The fee to install a new driveway is $25 and it must be inspected and meet City specifications. There is no fee or permit required if you are only installing a drive apron; however, you must give the City a 24-hour notice before pouring concrete. Please call the Public Works Department at 563-1177 before starting a driveway or apron project for specifications and requirements.

Truck Loan Program
If you need to dispose of a lot of rubbish or debris, a truck can be left in your driveway overnight. This service is offered from April through October. The truck will be brought to your home or business by 3:00 pm in the afternoon and is picked up the next morning by 7:30 am. A release of liability must be signed by the property owner. The truck loan program will cost the homeowner $50 a night and $60 for the weekend. The cost for businesses will be $90 for nights and weekends. Payment will be required before the truck can be delivered to the residence. Call 563-1177 to schedule a truck.

Brush And Special Pick-Up Service
Residents must call the Public Works office at 563-1177 before noon on Friday to have their name put on a list in order to have their items picked up the following week. Curbside brush and special pickup is a year round program unless it is snowing and we are treating the roads. Have the materials out for removal on Sunday evening of the requested service week. Public Works will come to your address one day of the service week to remove the materials. Twigs cannot be picked up; they are yard waste and must be disposed of with your regular garbage pick-up.

Public Works Street Projects For 2015
Repairs of streets, curbs, and sidewalks will continue to occur in spring and summer. Streets that will include complete repair are Reading Road (from Kemper to Crescentville), Willfleet Dr., Bluestone Ct., Jeff Lane, and Willard Dr. There will also be various curb and sidewalk repairs throughout the city where needed.
Don’t Be Fooled! Scams continue to be a problem for everyone. These scammers use a variety of tactics to make their fraudulent activity seem legitimate. We want to make you aware of some of the more common scams and offer tips to protect yourself and those you care about.

The Duke Energy Scam
An individual may identify themselves as a Duke Energy employee or third-party representative of Duke Energy. The caller then attempts to obtain customer account or personal information. Or, a caller may threaten immediate service disconnection, usually within an hour, if immediate payment is not made with a prepaid debit card.

Duke Energy may call you to discuss your account; but if they do, they will provide you with information that only you and Duke Energy would know in order to validate that the call is legitimate. If you are apprehensive about the call, you can always hang up and call the company directly at 800.777.9898. Duke Energy customers who have delinquent accounts receive multiple notifications from the company several weeks prior to service disconnection. There would never be just a single notification one hour before disconnection…this is sure sign of a scam.

Duke Energy customers have also been a target for email phishing scams. Emails not connected to Duke Energy’s Paperless Billing program instruct customers to click on a link to pay their bill. Clicking on the link could result in downloading a virus or theft of personal information. Please be careful when clicking on links from emails.

You can find more information about Duke Energy scams at: www.duke-energy.com/ohio/billing/fraudalert.asp
**IRS Phone Scam**
These scammers use fake names, provide bogus IRS badge numbers and alter caller ID numbers to make it look like the IRS is calling. Scammers demand immediate payment threatening individuals with police arrest, deportation, and license revocation. They often leave “urgent” callback requests and sometimes prey on the most vulnerable people including the elderly.

The IRS will not:
• Call to demand immediate payment, nor will the agency call about taxes owed without first having mailed you a bill.
• Demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe.
• Require you use a specific payment method for your taxes, such as prepaid debit card.
• Ask for credit card or debit card numbers over the phone.
• Threaten to bring in local law-enforcement groups to have you arrested for not paying taxes.

**Consumer Scams**

**The Fake Check Scam:** Someone sends you a check or money order, asks you to deposit it into your account and wire transfer the sender a portion of the money, minus a nice bonus for you. The check ends up being counterfeit and returned to your bank unpaid along with a returned check fee. You are then out the money that you wired the scammer and the returned check fee. Never wire-transfer money to a stranger!

**The Friend-in-need Scam:** You are contacted by a friend or family by phone asking you to send money immediately. After the money is transferred, you learn that the person was an impostor. Before sending money, ask a question only a friend or family member could answer. Also, contact that individual directly using a different method of communication.

**Home Improvement Fraud:** This occurs when contractors or companies don’t complete the work they were paid to do. They offer false promises and often disappear without doing any work or after doing a poor job. Always obtain at least three estimates, get everything in writing, check references, and make incremental payments. Also remember that anyone soliciting door-to-door in Sharonville must obtain and display a solicitor’s permit from City Hall. If they don’t, please contact the Police Department immediately to report it.

**Phone Fraud/”Spoofing”:** Be aware that scammers can disguise or “spoof” the number that appears on your caller ID. The caller ID may show a local number even though the call is actually coming from elsewhere, possibly even another country. If you receive a call asking for your personal or financial information, hang up. Banks and government agencies would never request your personal or financial information over the phone. To contact a business or agency a caller has referred to, use a number you know and trust. Don’t just redial the number listed on your caller ID; you may be calling the scam artist back instead of the organization you are trying to reach.

**Someone may be trying to scam you if they:**
• Ask you to wire money or purchase a prepaid money card
• Pressure you to “act now!”
• Guarantee you’ll make money
• Tell you to send money in advance to secure or ensure a loan or grant
• Claim you’ve won a contest you’ve never heard of or entered
• Tell you to pay a fee to receive your “prize”
• Request your personal information
• Ask for a large down payment
• Refuse to provide written information or contact information
• Ask you to send money out of the country

WATER SAFETY!

According to the Centers for Disease control and Prevention (CDC) drowning is the leading cause of death for infants and young children between the ages of 1-4. Drowning is the second leading cause of unintentional injury deaths in children age 1-14. Here are some simple tips to keep you and your family safe:

- Always swim with a buddy
- Do not leave children alone in or around water. Babies can drown in as little as one ounce of water.
- Ensure children are wearing appropriate flotation devices around or in water.
- Empty all tubs, containers, and wading pools immediately after use. Store them upside down and out of children’s reach.
- Learn CPR. Hopefully you will never have to use it, but if you do you will be glad you had the training.

Interested in learning CPR? Sign up today for a class by the Sharonville Fire Department. For more information visit sharonvillecpr.eventbrite.com.

BICYCLE SAFETY!

Did you know? More children ages 5 to 14 are seen in emergency rooms for injuries related to biking than any other sport. Helmets can reduce the risk of severe brain injuries by 88 percent – yet only 45 percent of children 14 and under usually wear a bike helmet. Here are a few tips to keep you and your family safe:

- Wear bright colors or reflecting when riding.
- Always look both ways for traffic and make eye contact with drivers before crossing the street.
- Wearing a helmet is the single most effective safety device available to reduce head injury and death from bicycle crashes.

Stop by the Sharonville Fire Department for a free bicycle helmet, or to make sure that your helmet fits properly.

Community Center Access Policy
Every person entering the Community Center must stop at the Customer Service Desk to state his/her purpose of coming to the Community Center. If you are a member, please make sure to scan your membership card each time you enter the Community Center and Pools. In order to be as safe as possible and pursuant to City of Sharonville Ordinance Number 2014-13, ALL resident and non-resident guests, ages 18 years of age and older, purchasing a guest pass will be required to provide a valid driver’s license or State ID Card. This card will be scanned by the “Safe Point” System against the National Sex Offenders Registry. The entire membership card data base is scanned through the “Safe Point” system twice a year. New members and renewal members joining the Community Center will be scanned before membership cards are given to the members. Should your driver’s license or State ID Card match a National or State Sexual Offender Registry record or if you do not provide a valid driver’s license or State ID card, you will not be permitted to enter the facility. There is an appeal process.

RESISTING MUSCLE LOSS  
*Community Center Aerobics Room*

Resisting Muscle Loss is a strength-training program designed for older adults. The exercises are performed seated or standing, with added resistance through the use of Therabands, hand weights, medicine balls, tubing, and step benches. Major muscle groups of the upper body, core area, and lower body are targeted for building overall strength while improving your posture, balance, agility, and flexibility. *Each session will last 4 weeks, always beginning on a Wednesday. Please call 563-2895 to register for this class prior to each session. Space is limited to 15.  
*This program is open to Residents or Members only.

CHAIR VOLLEYBALL  
*Community Center Multipurpose Room*

Entertaining and fun, it is also an unexpected way to work up a sweat! Played on a 10-foot by 20-foot court that is divided into 4 equal sizes, the game is played with a volleyball and a beach ball. Laughter abounds as volleyball games are played on each side of the court while keeping an inflatable beach ball in play. The hardest part of the game is keeping your seat in your space. The game is very fast-paced and requires good hand-eye coordination. The game is played on a single task and not be distracted.

*Registration is not required, but we do ask that you sign in each day. This program is open to Residents or Members only.*

PICKLEBALL
Community Center Multi-Purpose Room
What is Pickleball? A fun racquet sport that incorporates elements of badminton, tennis & ping-pong. It's an easy-to-learn game that is played on a court, like a tennis court, but half the size, with a wooden paddle and the ball is similar to a whiffle ball. Experience is not required, only the willingness to laugh and have fun.

In the Loop Knitting & Crochet
Community Center Gathering Room
Are you looking to begin a new needle art? Knitting and crochet are all the rage with fun and trendy new patterns. All levels of knitting and crochet knowledge are welcomed during this informal time together. Bring your own patterns or try some of ours; however, students must provide their own knitting needles and crochet hooks.

MEMORIES IN THE MAKING®
Sponsored by the Alzheimer’s Association of Greater Cincinnati
Memories in the Making® is a unique art program of the Alzheimer’s Association of Greater Cincinnati that offers persons with memory loss the opportunity to express themselves through the visual arts. It is a creative activity that provides a means of communicating thoughts and feelings while promoting a sense of involvement and increased self-esteem. No previous art experience necessary.
Time for Caregivers is a separate program for the caregiver. It is an interactive support and education program for caregivers conducted separately by a professional clinician. The meetings are held at the same time as the Memories in the Making® program for those with memory loss.

## CHILDREN’S PROGRAMS

### MAKE A MESS WITH ME
*Community Center Craft Room*
Attention Parents, let your little ones get their hands dirty in this class. Dig in the sand, finger paint, play with shaving cream or make collages with lots of glue, it’s their choice. Your child will enjoy these messy activities that you don’t have to clean up.

### IMAGINATION YOGA
*Community Center Craft Room*
Imagination Yoga uses an original story to guide children through a kid’s yoga class flying like birds, mooing like cows, or shooting through space in a rocket ship. Each adventure stimulates creativity and incorporates developmentally appropriate kid’s yoga poses, calming and concentration techniques and kindness exercises. Our program helps kids get physical activity while having fun and integrating the wonderful mind, body and heart benefits of yoga. Sessions consist of curriculums. We will begin with the Kindness curriculum, the benefits of which may extend beyond the yoga mat. Children must be potty-trained.

*Class Instructor: Brenda Raymond-Ball, has been practicing yoga for over 10 years and recently became a Certified Imagination Yoga Instructor.*

### JUNIOR POLICE ACADEMY
*Community Center Meeting Room*
This 10 week program is designed to give 3rd and 4th Graders hands on experience of a day in the life of a Sharonville Police Officer. Children will try on and use real police equipment, meet the K-9 Unit, tour the S.W.A.T. van and see the Hamilton County Sheriffs Helicopter. One class will actually be held at the Sharonville Police Department; where the children can tour the jail, be fingerprinted and see where the detectives work. An entire class is devoted to teaching children safety and self-defense. Please register at the Sharonville Community Center.

*Class Instructor: Officer Cheryl Price, Sharonville Police*

SPECIAL EVENTS

LADIES DAY AT THE POOL
Sharonville Aquatic Center
As the name implies, the Ladies Day Getaway is an event held outdoors, poolside and for ladies only. Ladies will register on the day of the event. Program registration for Residents/Members is only $2.00 and Non-Residents is only $5.00. Last year alone, attending vendors offered makeovers, massages, haircuts, paraffin dips, facials, manicures, free samples, and free raffles. We also invite independent consultants from companies such as Tastefully Simple, Pampered Chef and Tupperware. The Recreation Department organizes fun and often silly games in the pool. In the ladies “spare time” for the afternoon, they can participate in all types of activities or just sit back and enjoy the day. All of our guests are permitted to bring in their own lunch and snacks. Don’t miss out on this inexpensive opportunity to enjoy the Sharonville Aquatic Center in a relaxing and fun adult atmosphere. *Please contact the Recreation Department before attending Ladies Day if there is bad weather forecast for the day of the event.

The Sharonville Summer Tradition Continues Full Steam Ahead!

July 24th & 25th
Gower Park

With your support, SharonFest has helped raise over $100,000 for local organizations since 2011. Our mission is simple; to promote a variety of local non-profits and community groups by coordinating an event that the whole community can enjoy. This festival belongs to you, and we promise to always keep it that way. Please join your friends, family, and neighbors this July for another amazing year at Gower Park in Sharonville!

SharonFest.com
The City of Sharonville is once again excited for our annual Fourth of July parade and celebration on Saturday, July 4, 2015 beginning at NOON. This year’s theme is “We the People, Salute America”. Our parade will once again start at the corner of Reading and Sharon Road in Downtown Sharonville and will be following the entire Downtown Sharonville Loop! This is your chance to be a part of a Sharonville tradition.

There are many ways to join in on the fun:
- Enter a float, classic car, marchers, mascots, musical groups, or performers into the parade.
- Decorate your child’s bike red, white, & blue and join our bicycle parade unit.
- Join your parade unit immediately following the parade at Depot Square for a community event where we will be recognizing our best parade participants and celebrating our Independence Day! Our “Fair @ the Square” will include entertainment, music, food, and children’s activities.

Download the Parade Info packet at: cityofsharonville.com/documentcenter/view/1217
