Message from the Mayor

We have a plethora of Legos around our home, but most recently we invested in the 4080 piece Disney Castle. The instruction manual is 491 pages long, and while I allowed my children to assist with some assembly, I primarily built this awesome creation after the kids went to bed. I was indeed a “master builder!” This title could easily be used to describe so many aspects of Sharonville. This Hometown Guide is put together by our master builders. We reach out to all our departments for their informative contributions and our Parks and Recreation Programmers diligently plan event after event to appeal to all ages. Some of these programs are annual traditions and others are new classes to keep reaching the widespread interests of our community. Many events sell out and others get cancelled due to lack of participation. What never gets lost is the motivation to keep trying and building on a foundation of community input and support. As we head into fall, stop by the Recreation Center and join a game of Pickleball. Sign your kids up for a Club Sharonville activity. Have a date night at Live @ Depot Square. Surely there are activities that will pique your interests in the pages that follow.

Keep in mind that you’re also a master builder, and Sharonville has many groups that would appreciate your talents and ideas. From the Sharonville Kiwanis and Sharonfest Committee to the Sharonville Cultural Arts Center and Sharonville Youth Organization, the possibilities are endless with how you can get involved. Enjoy this new season, neighbors! Enjoy Sharonville! Thank you for the role you play in building and supporting our City of Progress!

Tax payments may be made through Official Payments either online or by phone at 1-800-487-4567.
Official Payments does charge a nominal fee for this service which may be calculated using the fee calculator available. The City of Sharonville Tax Office continues to accept payments in person and by mail to provide taxpayers with cost effective tax payment options.

Due Dates for Estimated Tax Payments
All taxpayers who reasonably expect to have annual tax due of $200 or more which is not, or will not be, withheld by any employer(s) are required to pay estimated tax payments throughout the year.

Due dates for residents and most businesses to pay the required quarterly payments have changed to the following:

• 2nd quarter payment is due by June 15, 2016
• 3rd quarter payment is due by September 15, 2016
• 4th quarter payment is due by December 15, 2016

Due dates for Businesses which have a fiscal year end:

• Payments are due by the 15th day of the fourth, sixth, ninth and twelfth month following your fiscal year end.

To avoid underpayment penalties payment of 100% of the preceding year’s tax liability, or 90% of the current year’s tax liability must be paid by the 15th day of the twelfth month of the current tax year.

Property Taxes
The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. The City of Sharonville does not receive property tax dollars from city residents or businesses, and is proud that a municipal property tax has not been levied in over 30 years.

For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor’s office at (513)946-4000 or the Butler County Auditor’s office at (513) 887-3154. Links to these offices are available on the Sharonville website.
Throughout the region there are outstanding individuals, businesses and organizations that represent the best of the area. If you know a Champion who is truly making a difference in our area, now is the time to give them the recognition they deserve. Nominate a person, business, organization or non-profit, Chamber member or non-member, who is truly a leader and making a positive impact that should be recognized in one or more of the following categories:

- Economic Impact
- Community Service (Small Business & Large Business)
- Emerging Technologies
- Entrepreneur of the Year/Entrepreneurial Spirit
- Best Start Up
- Workforce Investment
- Quality of Life

Finalists and the ultimate winner in each category will be selected by a well-respected panel of local business leaders, top-level educators, elected officials and other established leaders that will evaluate the strength of the applications. Find the full criteria and download the application from the Sharonville Chamber’s website @ sharonvillechamber.com or pick up an application at the Chamber office at 2704 East Kemper Road. The finalists will be notified but the actual winner will be announced at the red-carpet event, scheduled to take place on January 19, 2017. All Nominations must be submitted by mail or email no later than November 4, 2016.
Public Works Reminders

The City’s Truck Loan Program for 2016 ends on October 28th. This program helps residents keep their property clean and gives them the ability to dispose of unwanted items from their property. Please call 563-1177 for information or to reserve a truck. There is a nominal fee for the use of the truck.

Curbside Brush and Special Pickup is a year round program unless it is snowing and we are treating the roads. Residents must call the Public Works office at 563-1177 before noon on Friday to have their name put on a list in order to have their items picked up the following week. Have the materials out for removal on Sunday evening of the requested service week. Public Works will come to your address one day of the service week to remove the materials. Twigs cannot be picked up; they are yard waste and must be disposed of with your regular trash collection.

Fall Season

There is no leaf pick up program in the City of Sharonville. Raking leaves into the street gutters is not permitted.

Raking leaves into the gutter will cause catch basins to back up and flood streets. Please rake and bag leaves for pick up and disposal with Rumpke on your trash days (remember Rumpke has a 10 item limit).

If you have a storm culvert that runs along your property line or under your driveway, please remember that it is the homeowner’s responsibility to keep these culverts and the inlets clear of leaves and debris. Clogged culverts affect drainage upstream and flooding on roadways and surrounding areas.

Goldenview Acres

Golden View Acres is a Senior Citizen Retirement Village. This 52 unit apartment complex is located on Greensfelder Lane off Thornview Drive. In order to be eligible for tenancy, a person must be at least 57 years of age and a Sharonville resident for at least one year; or be a parent, grandparent, brother or sister of a Sharonville resident who has resided in the City for one year.

Golden View Acres has both first and second floor units and one and two bedroom apartments. Each apartment has an equipped kitchen with stove and refrigerator, gas heat, hot water, and air conditioning. Tenants pay their own utilities except water. There are coin operated laundry facilities in each of the three buildings. When renting an apartment an initial security deposit equaling one month’s rent is required. After signing the lease, THE RENT WILL NOT BE RAISED unless an additional tenant occupies the same apartment or the current tenant moves to another apartment in the complex. At that time, a new rental agreement is required to be signed at the current rate.

To be placed on a WAITING LIST to rent an apartment, written application must be made and a $50 fee deposited. This fee is refundable when you rent an apartment or request, in writing, to be removed from the Waiting List.

Winter Season

Winter snow and ice will be here soon. There are a few guidelines that residents can follow that will help our department maintain our roads in the best condition possible:

• During a snowstorm, please do NOT park vehicles on the street, if possible. The Public Works crew has very limited time to remove the snow in a major snowstorm and cars parked on the street create additional obstacles and restrict visibility. Parking your vehicle in your driveway allows for a more complete clearing of your street. Wherever practical, we will attempt to keep the snow build-up to a minimum. Unfortunately, due to limitations of time and manpower, we will not be able to remove plowed snow from in front of driveways. Ultimately, this is the responsibility of the homeowner. Please shovel snow responsibly, by not shoveling your snow into the roadway.

• Older residents and those with health problems are reminded to avoid the extreme physical activity associated with shoveling snow.

• Stay at least two car lengths behind a snow plow for every 10 mph you are traveling. Never cut in between a caravan of plows clearing a road.

• Beware of “black ice” (roads that look wet but actually are glazed with ice). Ramps and bridges freeze first.

As a result of winter snow, ice and salt comes the inevitable appearance of potholes and other unsafe conditions. Please notify Public Works of any curb, street, sidewalk or storm drainage problems in the City. The Public Works Department will attempt to correct the safety problems in a timely manner.
Businesses, We Need Your Help!
The Sharonville Police Department is updating its business emergency contact information and we need your help. If you are a business in Sharonville, please go to sharonville.org and complete the Business Emergency Contact Form, which can be found on the left side of the homepage. Just look for the big, red “REGISTER NOW!” button. This will take you to the form. Simply complete the required information and click “submit.” This information will be used for emergency and after-hours notification. All the information submitted is confidential. We appreciate your help!

Back to School Safety
With school back in session, we want to provide some safety tips for students if they are walking or taking the bus. We suggest that parents and caregivers discuss these safety tips with their children and then review them regularly.

- Review the four rules of personal safety with your children. Remind them to:
  1. Check first with the adult in charge before going anywhere, helping anyone, accepting anything or getting into a car.
  2. Take a friend when going places or playing outside.
  3. Tell people “NO” if they try to touch or hurt you. It’s OK for you to stand up for yourself.
  4. Tell a trusted adult if anything makes you feel sad, scared or confused.
- Walk the route to and from school with them pointing out landmarks and safe places to go if they need help. Tell them not to take shortcuts and to stay in well-lit areas.
- If your younger children take the bus, wait with them or make sure they’re supervised by someone you trust at the bus stop.
- Teach your children to recognize tricks someone may use to abduct them such as asking for help or offering them a ride. Tell them to never approach a car without getting your permission first.
- Encourage your children to kick, scream and make a scene if someone tries to take them.
- Instruct your children to get away as quickly as possible if someone is following them. If they are being followed by someone in a car, teach them to walk in the opposite direction from the one which the car is driving.
- Be sure your children’s school has up-to-date emergency contact information. Learn about their pick-up procedures so only those you’ve authorized can pick up your children.
- Make sure your children know how to contact you in case of an emergency.

More information about child safety can be found at MissingKids.com.

School Bus Traffic Laws
Here is our annual reminder about school bus traffic laws. Please help keep our kids safe and stop for school buses…it is the law!

Scenario 1 – Traveling on a two or three lane road
- Approaching the bus from the rear: When you see flashing red or amber warning lights, you are not permitted to pass the school bus and should be prepared to stop. Stop behind the school bus when the school bus stops and the stop arm is extended. Stop no closer than 10 feet from the rear of the bus, and remain stopped until the stop arm is retracted and school bus starts moving again. Proceed with caution.
- Meeting the bus from the front: When you see amber warning lights flashing you must slow your vehicle and be prepared to stop when the lights turn red. Stop no closer than 10 feet in front of the school bus when the school bus stops and its stop arm is extended. Remain stopped until the stop arm is retracted. Proceed with caution.

Scenario 2 – Traveling on a road with two or more lanes in each direction
- Approaching the bus from the rear: When approaching from the rear, the rules are the same as for a two- or three- lane road. When you see flashing red or amber warning lights, you are not permitted to pass the school bus and should be prepared to stop. Stop behind the school bus when the school bus stops and its stop arm is extended. Stop no closer than 10 feet from the rear of the bus, and remain stopped until the stop arm is retracted and school bus starts moving again. Proceed with caution.
- Meeting the bus from the front: When meeting the bus in one of the opposite two lanes (or more), you do not need to stop, even if the bus has stopped with lights flashing and stop arm out. The bus is not permitted to load or unload children who must cross this type of roadway, unless there are official traffic control devices or law enforcement present. This is the only time you may pass a school bus that is stopped and has its stop arm extended.

Got Drugs?
Most abused prescription drugs come from family end friends. You could be a drug dealer and not even know it.

The Sharonville Convention Center has been fortunate to host over 2500 events since we re-opened in 2012. All of our events are unique and bring specific goals and challenges with each. To give insight into one such specific event, imagine coordinating a major presidential political rally for over 5,400 people. Now imagine doing it in less than five days and on Fourth of July weekend. On Friday, July 1st, 2016, the Sharonville Convention Center was informed that Donald J. Trump was planning a visit our center to host a political rally on July 6th.

The Convention Center Team would like to give a very big thank you (and we can’t say it enough) to Chief Blasky and the entire Sharonville Police Department, Chief Hammonds and the entire Fire Department, Joe Kempe and our Public Works Department for the absolute superb job they and their teams did in supporting the Convention Center as host for the Trump Rally.

Finally, I need to say thank you to my entire staff here at the Convention Center. How fortunate we are to have the kind of committed employees who rise above the challenge and embrace the task of hosting an event like this. The accolades we received from Team Trump and Secret Service regarding their experience at our facility were many. From last minute planning, long late nights and early morning meetings to meeting the many last second requests and changes, our staff delivered! I want to personally recognize all our team members who were involved and ensured our customers and attendee’s experience was at the highest level; Sandy Day our Event Manager, Andy Robbins our Maintenance Engineer, Rick Grace Maintenance Engineer, Kim Haas and Lisa Hodge our Sales Managers, Jodie St. Claire our Administrative Assistant, Jim Walz our Set Up Supervisor, Matt Fuchs Set Up, Sam Clay our Housekeeper, and Shelly Lykins our Administrate Assistant. This group of professionals delivered and I couldn’t be more proud to be a part of this exceptional team.

We look forward to hosting your next event.

All the Best,
Jim Downton, Executive Director

ART INSTRUCTION WITH MYRTLE
Community Center Craft Room
Can you draw a straight line? You don’t have to. You can scribble your way to understand and see the world around you in an artist’s way. Develop a new skill, create brain cells, make new friends, begin with a dot or a mark and see where it takes you.

Painting and exploring the basic elements of watercolor, colored pencil, ink or pastels allows you to test various mediums of interest at your own pace. An instructor is available for consultation. Test products are available however students must provide their own supplies for actual work. *Fees are paid to the instructor.

Class Instructor: Myrtle Blankenbuehler has been instructing art students for 75 years. She began her teaching as a student in art school. She went on to work commercially for Weibold Restoration restoring artifacts, local department stores illustrating their merchandise and painting portraits of children and dogs by commission. For the last 25 years, she worked at the Sycamore Senior Center instructing their members. Myrtle has a lifetime of art knowledge and experience to share with her students.

Drawing classes are Mondays 10am-12pm

ELEMENTARY DRAWING
Community Center Craft Room
Our elementary learners are at the crucial time of development when they decide whether they’re good at something or not. This decision will affect not only the rest of their academic career, but their lifetime learning as well. The Young Rembrandts elementary program provides the tools this age-group needs to succeed at drawing - a teaching tool from which the majority of learners prefer and ALL learners benefit! Our program works because it’s not only hands-on and visual...it’s simply fun. Add to this our innovative guided instruction, topics that kids love and relate to, and instructors that know how to reach this group; we take kids from thinking they’re not ‘artists’ to knowing they can achieve this, and everything else, they put their minds to.
