Message from the Mayor

One of the more enjoyable activities of being Mayor is the opportunity to celebrate special moments with our residents and businesses. Over the last few months, it has been an honor to share in these festive occasions – view the groundbreaking of a new green space on the St. Joseph Home campus; congratulate Bill Lofgren on his retirement after many years as the general manager of Queen City Racquet Club; thank the members of United Auto Workers Local 863 for bringing the Vietnam Veterans Memorial – Moving Wall to our region; and join in the recognition of Boy Scout Troop 803’s Ethan Patrick Hoffman as he attains the rank of Eagle Scout – to name only a few. From milestone birthdays and anniversaries to welcoming home Sharonville service men and women, I welcome the opportunity to acknowledge the significant times in your lives. Please reach out to us at City Hall if you, a loved one, your business, or co-worker, are celebrating a significant milestone.

With that in mind, I invite you to join me in recognizing a special moment in the life of the Sharonville Fire Department. This year marks the 100th year of our local fire department’s existence. The men and women of SFD have been protecting our city since the days of World War I. Much has changed in that time, like the transition from a volunteer group of citizens to a professional fire fighting unit or the evolution of equipment to fight fire and save lives. What hasn't changed is the dedication of the members of the SFD to their mission of “improving the quality of life of those in need of [their] services by delivering exceptional Life Safety, Public Education and Fire Prevention by all means possible.” Plans are underway for a public celebration of the centennial of our Fire Department. I hope that you will join us to show your appreciation for these fine people.

Kevin M. Hardman

CEO of the Year

We are proud of the recent honor bestowed on Mayor Kevin Hardman at the Cincinnati Business Courier C-Suite Awards on August 17, 2017. Kevin was selected as the top CEO in Cincinnati among the Public Sector. Mayor Hardman was honored for his leadership, vision, and commitment to our great community in a ceremony held at the Renaissance Hotel in downtown. Kevin has been the Mayor of Sharonville for 5 years, and interestingly enough started his very first job in our hometown as a Sharonville Youth Organization concession stand worker. Congratulations to Mayor Hardman and all City of Sharonville employees for their dedication to the community.

Flu Shot Clinic

The City of Sharonville is offering a flu shot clinic at the Community Center on Tuesday, September 26, 2017 from 9:00am to 6:00pm. The CDC recommends everyone 6 months and older receive a yearly flu vaccine as the first and most important step in protecting against the flu. The Sharonville Community Center is located at 10990 Thornview Drive. Please bring your insurance card as well as cards of those receiving the vaccine. For questions please call Hamilton County Public Health at 946-7882.
Skunk Control

The City recently contacted the Ohio Department of Natural Resources (ODNR) Wildlife Management Division regarding a question we received about skunk control. ODNR recommended an educational campaign; therefore, the following information is being provided to help residents better understand how to address a skunk issue at your property or in neighborhoods.

Skunks begin foraging at sunset. They are omnivorous with diets that include: insects, small mammals, fish, grasses, leaves, buds, crustaceans, nuts, grains, fruits, eggs, bird seed & garbage.

Prevention of Skunk Nuisance

The availability of food & shelter can entice skunks to make homes on your property. Taking these preventative measures can reduce the likelihood of an unwanted skunk residency:

• Keep tight-fitting/locking lids on garbage cans.
• Bring in all uneaten pet food & water at night.
• Harvest gardens frequently and pick up any fallen fruit from trees.
• Restrict use of birdseed; skunks are attracted to seed & rodents attracted to the seed.
• Clear your yard of debris & brush piles & stacks of wood and rocks.
• Keep pet access doors locked at night.
• Do not discard edible garbage where skunks can get it.
• Seal up any potential entry holes in and under buildings and decks.
• Exclude decks as housing options by using ¼ inch welded wire fencing.

Trapping and relocation of nuisance skunks is not recommended. Removal of these animals is usually only temporary and other skunks will likely soon move in. Skunks will use the same den areas year after year. It is crucial these areas are permanently closed off.

• If you suspect a skunk may be living down in a hole, cover the hole with loose dirt. If the skunk is a resident, it will dig out during the night.
• If skunks are already settled under a building, installing a 1-way door on an entrance can be effective. This will allow the skunk(s) to leave but not return. All other areas should be closed off.
• To drive skunks away, you may consider putting down repellents such as moth balls, and ammonia-soaked rags.

Energy Aggregation Update

IGS Energy is the supplier for the City’s current Natural Gas aggregation program which began in July 2017 and continues through June 2019. If you are not already participating in the program, but would like to, please call IGS at 1-877-353-0162 and request specifically to be added to the City of Sharonville’s community program. If you have additional questions regarding the program, you may contact Jennifer Kist at 481-7954.

Our current Electric Aggregation program, supplied by Dynegy, ends in December 2017. We will select our supplier for the next program (which begins in January 2018) in the coming month following a competitive bid. An update of the new supplier and price will be posted to the City’s facebook and website at that time. All current program participants and those residents still receiving supply from Duke utility will receive the new program offer around the first week in October. Again, always look for the City of Sharonville logo on the envelope and letter to be sure it is the official aggregation program offer. If you are currently under an independent contract with a supplier, you will not receive the City’s program offer.

Small Business Improvement Grants

As part of the City of Sharonville’s commitment to support the unique needs of small business, the City has adopted a financial incentive program for owner/ tenants of small businesses located in Sharonville. The goal of the program is to spearhead the rehabilitation and enhancement of our small businesses, to promote economic growth and investment, and to upgrade Sharonville’s desirability and long-term viability.

So far, 9 small businesses have taken part in the grant program. City Council has approved a second round of funding for 2017, so we expect to incentivize even more improvements this year. It is very exciting to see the results of this program throughout our city. We know small businesses are the heart of our city, and we are proud to partner with them through this grant program. If you would like more information about the Small Business Improvement Grant Program, please contact Katy Huffman at khuffman@cityofsharonville.com.
This year more than 225 people gathered to support and celebrate the Sharonville Cultural Art Center at our annual Spotlight on the Arts gala. Together, we had an incredible evening that included great food, an exciting silent auction and two live music performances that kept the crowd moving.

THANK YOU to all our corporate sponsors, donors and attendees for having such a caring and giving heart. With your support, we raised more than $44,000 and have begun long awaited renovations at the Center and will continue to bring unique and exciting artistic experiences to our community.

Hamilton County Storm Water District & City of Sharonville Partnership

The City of Sharonville is a partner with the Hamilton County Storm Water District to inventory and monitor illicit discharges into the Mill Creek Watershed.

There are at least six components addressed in the partnership which include: (1) Public Outreach and Education about water quality and pollution, (2) Public Involvement and Participation including outreach to developers, real estate professionals, and other interested parties, (3) Illicit Discharge Detection and Elimination which includes visual inspections of storm water outfalls into Mill Creek and tributary streams, (4) Construction Site Storm Water Runoff Control on new development projects, (5) Post-Construction Site Storm Water Runoff Control follow-up inspections, and (6) Pollution Prevention/Good Housekeeping for Municipal Operations. With the assistance of the Hamilton County Storm Water District, Sharonville performs much of the field inspections and Hamilton County performs the education, outreach and public involvement of the 6 components.

The City of Sharonville Community Development Department is now conducting annual inspections of over 250 storm water outfalls which discharge storm water from private properties into the Mill Creek and its tributaries within the city boundary. The visual inspections confirm that during dry weather periods that there are no illicit discharges into the storm water system that ultimately makes its way to the Ohio River. The inspection results are logged and added to the City’s Geographic Information Mapping System (GIS).

The requirement to address water quality and pollution is a mandate of the Federal Law establishing the Clean Water Act of 1972. The City of Sharonville, along with 35 other Hamilton County jurisdictions, are co-permitees with the Hamilton County Storm Water District to manage our National Pollutant Discharge Elimination System (NPDES) permit which is reviewed by the Ohio Environmental Protection Agency. Hamilton County submits the completed NPDES permit yearly on behalf of the partner jurisdictions.

For more information contact the Community Development Department, located at the Sharonville Municipal building, at 563-0033.

Department Reminders

The City's Truck Loan Program for 2017 ends on October 27th. This program helps residents keep their property clean and gives them the ability to dispose of unwanted items from their property. Please call 563-1177 for information or to reserve a truck. There is a nominal fee for the use of the truck.

Curbside Brush and Special Pickup is a year round program unless it is snowing and we are treating the roads. Residents must call the Public Works office at 563-1177 before noon on Friday to have their name put on a list in order to have their items picked up the following week. Have the materials out for removal on Sunday evening of the requested service week. Public Works will come to your address one day of the service week to remove the materials. Twigs cannot be picked up; they are yard waste and must be disposed of with your regular trash collection.

Disposal of refrigerators, freezers and other appliances that contain chlorofluorocarbon (CFC) refrigerants must have the CFC removed from the appliance by a Certified Technician and have documentation attached to the appliance verifying that the CFC has been safely removed. Rumpke will then pick up the appliance on your normal trash pickup day.

Disposal of couches, chairs, mattresses and box springs can be placed at the curb with normal trash pickup. These items MUST be wrapped in plastic and sealed tight with tape. Please call RUMPKE at 513-851-0122 a day in advance to notify them of a large item pickup.

Disposal of computers, televisions, fluorescent bulbs and hazardous waste cannot be placed at the curb for Rumpke trash collection. The Hamilton County and Butler County Recycling and Solid Waste Districts can help you with disposal of electronic and hazardous waste items for homeowners ONLY. Fluorescent bulbs can be taken to hardware stores including Home Depot, Lowes, and Menards for proper disposal. For more information on Recycling and the disposing of Computers, Televisions and Hazardous Waste Materials:

**Hamilton County Residents**
call 946-7766 or visit [hamiltoncountyrecycles.org](http://hamiltoncountyrecycles.org)

**Butler County Residents**
call 887-3653 or visit [butlercountyrecycles.org](http://butlercountyrecycles.org)

Fall Season

**There is no leaf pick up program in the City of Sharonville – raking leaves into the street gutters is not permitted.** Raking leaves into the gutter will cause catch basins to back up and flood streets. Please rake and bag leaves for pick up and disposal with Rumpke on your trash days (Remember Rumpke has a 10 item limit).

If you have a storm culvert that runs along your property line or under your driveway, please remember that it is the homeowner’s responsibility to keep these culverts and the inlets clear of leaves and debris. Clogged culverts affect drainage upstream and flooding on roadways and surrounding areas.

Winter Season

Winter snow and ice will be here soon. There are a few guidelines that residents can follow that will help our department maintain our roads in the best condition possible:

- During a snowstorm, please do NOT park vehicles on the street, if possible.
- The Public Works crew has very limited time to remove the snow in a major snowstorm and cars parked on the street create additional obstacles and restrict visibility. Parking your vehicle in your driveway allows for a more complete clearing of your street. Wherever practical, we will attempt to keep the snow build-up to a minimum. Unfortunately, due to limitations of time and manpower, we will not be able to remove plowed snow from in front of driveways. Ultimately, this is the responsibility of the homeowner. Please shovel snow responsibly, by not shoveling your snow into the roadway.
- Older residents and those with health problems are reminded to avoid the extreme physical activity associated with shoveling snow.
- Stay at least two car lengths behind a snow plow for every 10 mph you are traveling. Never cut in between a caravan of plows clearing a road.
- Beware of “black ice” (roads that look wet but actually are glazed with ice). Ramps and bridges freeze first.

As a result of winter snow, ice and salt comes the inevitable appearance of potholes and other unsafe conditions. Please notify Public Works of any curb, street, sidewalk or storm drainage problems in the City. The Public Works Department will attempt to correct the safety problems in a timely manner.

Golden View Acres

**Golden View Acres is a Senior Citizen Retirement Village.** This 52 unit apartment complex is located on Greensfelder Lane off Thornview Drive. In order to be eligible for tenancy, a person must be at least 57 years of age and a Sharonville resident for at least one year; or be a parent, grandparent, brother or sister of a Sharonville resident who has resided in the City for one year.

Golden View Acres has both first and second floor units and one and two bedroom apartments. Each apartment has an equipped kitchen with stove and refrigerator, gas heat, hot water, and air conditioning. Tenants pay their own utilities except water. There are coin operated laundry facilities in each of the three buildings. When renting an apartment an initial security deposit equaling one month’s rent is required. After signing the lease, THE RENT WILL NOT BE RAISED unless an additional tenant occupies the same apartment or the current tenant moves to another apartment in the complex. At that time, a new rental agreement is required to be signed at the current rate.

To be placed on a WAITING LIST to rent an apartment, written application must be made and a $50 fee deposited. This fee is refundable when you rent an apartment or request, in writing, to be removed from the Waiting List. Contact the Public Works Department at 563-1177 for details.
The Sharonville community can access up to date crime information by viewing the LexisNexis Community Crime Map at www.communitycrimemap.com. Crimes and incidents that have been reported to the Sharonville Police Department are uploaded to the map three times a day. This information is great if you are looking to move to Sharonville, if you're curious as to why there was police activity in a certain area, or if you just want to stay informed on things occurring in your neighborhood.

Community Crime Map also has a very convenient tool that can help us with investigations; it’s tip411. Simply click the icon on the Community Crime Map that corresponds with the information that you have. Details about the offense will be displayed with...

If you witness a crime in progress, please call 911 immediately. If you need non-emergency assistance, call Sharonville Dispatch at 513.563.1147. Tip411 should only be used to submit crimes tips and information, not to report a crime. You are our eyes and ears, our force multiplier. We appreciate your assistance.

New Officer
The Sharonville Police Department would like to introduce the newest member of our department, Officer Cameron Coates. Officer Coates graduated from Lakota East High School in 2011. Since graduating from high school, he has served in the U.S. Marine Corps and is still currently enlisted as a reservist. He earned his Bachelor of Science degree in Criminal Justice from the University of Cincinnati in 2016.

Officer Coates was hired by Sharonville in August 2016 and earned his Ohio Peace Officer Certification after completing the Ohio State Highway Patrol Basic Academy in January of 2017. While in the academy, Officer Coates performed with distinction and filled leadership roles. Officer Coates is currently assigned to the Patrol Division serving the Sharonville community by working the overnight shift.

We know people want help, so let's help them kick this problem.

Consider this: If you dial 9-1-1, can you be quickly found?
Sharonville Fire Department personnel can and do on occasion have difficulty locating addresses that are not posted clearly when responding to emergencies. Sharonville businesses are required to post their address at least five inches high by three inches wide or larger to be visible from the nearest fronting road. It is recommended that residential addresses be large enough to read from the road. Consider illuminating your address numbers with a porch light or purchasing highly reflective numbers in easy to read block style font. Decorated or italicized numbers are not recommended if they are difficult to read. Also, consider marking your mailbox on both sides to increase address visibility.

LUNCH & LEARN LECTURE SERIES @ Evergreen Retirement Community
Join us at Evergreen Retirement Community located off W. Galbraith Road. We will have a delicious lunch, compliments of Evergreen Retirement Community. Our guest speaker will be Diane Shields, a former history teacher. Diane is a graduate of the University of Cincinnati with a degree in Education. Diane is also a Moderator for the OLLI Program for the University of Cincinnati. Her topic of discussion will be the Cuban Missile Crisis. This was a momentous event in young President Kennedy's term as our Commander-in-Chief. Our relationship with Cuba was dangerous, and after the failure of the Bay of Pigs invasion, Kennedy needed a victory. Russia was putting missiles outside of Havana? Yes, and aimed at the United States! We came very close to a nuclear war – thankfully the diplomacy and determination of JFK will calm the situation and guide us to a peaceful solution.

*Space is limited and pre-registration is required. RSVP with Linda Tee by Thursday, October 5th at 10am. No transportation provided.

Can you draw a straight line? You don’t have to. You can scribble your way to understand and see the world around you in an artist’s way. Develop a new skill, create brain cells, make new friends, begin with a dot or a mark and see where it takes you.
Painting and exploring the basic elements of watercolor, colored pencil, ink or pastels allows you to test various mediums of interest at your own pace. An instructor is available for consultation. Test products are available however students must provide their own supplies for actual work. *Fees are paid to the instructor.
