Message from the Mayor

My family on a recent trip to the movies enjoyed watching “The Greatest Showman.” As a result, our family car adventures have turned into non-stop listening and singing to the soundtrack. The music has captured the hearts of our entire crew of 7-to-46 year olds. How rare today that a piece of popular culture can span the multiple demographic boundaries of not just families but entire communities. Here in Sharonville, we strive to create opportunities that bring our entire City family together. The people of our Parks and Recreation Department are masterful at doing just that. They have done so for the last 36 years with the help and ultimate leadership of Sue Koetz.

Sue is retiring from the City of Sharonville at the end of April. Inside the pages of this edition of the Hometown Guide, Sue shares her thanks to all of you for allowing her the privilege to serve. We as a City, however, owe a great deal of thanks to Sue. Over the years, among the "million dreams that kept her awake" were visions of how she could help create recreational activities for the young and old of Sharonville. Sue’s successes have been many. For these contributions, City Council and I were pleased to name one of our Community Center basketball courts in Sue’s honor. Now, whenever you step onto or walk around Sue Koetz court, you can be reminded of the impact that she had upon your families’ experiences in Sharonville.

Mindful of Sue’s vision to make our community better than when she came, the City embarks on the journey to hire and welcome a new Director. The process has begun. Many qualified applicants, both internal and external, have expressed an interest in leading Sharonville’s parks and recreation into the coming decades. We will be looking for that one person who, like Sue, will not “be blinded by the lights,” but whose “anthem in [his or her] heart” will be bringing the people of our community together in play. It truly is an exciting time for Sharonville!

Kevin M. Hardman

Yard Maintenance

Now that Spring is upon us - the city asks that property owners be good neighbors and keep lawns at a reasonable height. According to Section 521.13 of the Codified Ordinances of the City of Sharonville, grass over 8” tall is considered a weed and shall be removed. Once a complaint is received, and field verified, a notice of the violation will be posted to relevant properties, and if tall grass is not mowed within 7 days of the post date, the city will send out a team to cut the grass. All costs, plus a 15 percent processing fee (minimum of $25.00), will be the responsibility of the property owner. An invoice, inclusive of all costs, is mailed to the property owner of record for mowing services performed by the City. Failure to return payment within thirty days will result in the costs being added upon the tax duplicate as weed cutting, acting as a lien upon the land from and after the date of entry. All proceeds from the lien collected will be returned to the City General Fund. Sharonville’s Community Development office is happy to take calls reporting high grass, where the report will be processed, investigated and a notice given. Unkempt lawns create visibility issues, harbor rodents and pests negatively impacting the quality of life of Sharonville neighborhoods.

Update on Energy Aggregation Programs

IGS Energy is the supplier for the City’s Natural Gas aggregation program which continues through June 2019. Pricing will vary during the term with the goal of always beating the utility’s concurrent price. To join, call IGS at 1-877-353-0162 and specifically request to be added to the City of Sharonville’s Community Program. Enrollment takes 30-60 days, depending on your meter read cycle. If you are currently with any alternate supply vendor (other than Duke utility), contact the vendor first to be sure you are not bound by an existing contract and will not incur a penalty to change suppliers. If you have questions regarding the program, contact Jennifer Kist at 513-481-7954 x103.

Our Electric Aggregation program began with Dynegy in Dec ’17 and runs through Jan ’20. Pricing for the term is locked in at a rate of 5.19 cents/kWh. To join, call Dynegy at 1-888-682-2170 and specifically request to be added to the City of Sharonville’s Community Program. Enrollment takes 30-60 days, depending on your meter read cycle. If you are currently with any alternate supply vendor (other than Duke utility), contact the vendor first to be sure you are not bound by an existing contract and will not incur a penalty to change suppliers. If you have questions regarding the program, contact Jennifer Kist at 513-481-7954 x103.

Inoperable/Unlicensed Motor Vehicles

Operable motor vehicles provide a source of transportation. Inoperable and unlicensed motor vehicles on private properties, particularly residential properties, can negatively impact the quality of life in local neighborhoods. Section 302.8 of the City of Sharonville Property Maintenance Code states that “no inoperative or unlicensed motor vehicle shall be parked, kept or stored on any premises, and no vehicle shall at any time be in a state of major disassembly, disrepair, or in the process of being stripped or dismantled. Painting of vehicles is prohibited unless conducted inside an approved spray booth.” The Property Maintenance Code defines an inoperative motor vehicle as a vehicle which cannot be driven upon the public streets for reasons including but not limited to being unlicensed, wrecked, abandoned, in a state of disrepair, or incapable of being moved under its own power. Please be considerate of neighbors and the negative impact such vehicles can have on the quality of life in local neighborhoods.

To contact the Sharonville Community Development Office to report an inoperable or unlicensed vehicle on private property, please call 513-563-0033. If you would like to report a complaint online, click the following link https://oh-sharonville.civicplus.com/requesttracker.aspx.

Frequently Asked Questions

Why do I have to include my Federal 1040 form? All cities in the State of Ohio now require a copy of your federal 1040 form to be included with your local tax return (this has been a Sharonville requirement for many years). This helps us assure we have all the necessary paperwork and are taxing & giving credits for the correct amounts.

How can I get an extension? If you have received a federal extension to file you automatically can have an extension with the City of Sharonville until October 15, 2018. A copy of the extension must accompany the filed tax return. If you do not apply for a federal extension you may request an extension in writing with our office by April 17, 2018. Please remember that an extension to file does not give you an extension to pay your taxes, so be sure to make all payments by April 17th.

Why do I have to pay estimate payments? All federal, state, and local taxes are due during the year that income is earned. Most companies withhold federal and state taxes from your paychecks, but they may not withhold local income taxes, or may withhold less tax than our 1.5% rate. If a taxpayer reasonably expects to owe $200 or more due to not having at least 1.5% local tax withheld they need to make estimate payments or may be charged penalties.

If you owe less than $200 but still wish to make estimated payments please note this on your tax return.

Second quarter estimate payments are due by June 15, 2018. For your convenience a coupon was sent with your 2017 tax return. Invoices will be sent for the 3rd and 4th quarter payments which are due on September 15, 2018 and January 15, 2019.

Do I need to file a tax return? The answer is yes if any of the following apply:

• You are a resident of Sharonville 18 years old or older, regardless of your income level.
• You are under 18 years old and have earned income.
• You are a non-resident working within the City of Sharonville and your income is not fully withheld by an employer.
• You are engaged in a business within the City of Sharonville and have sales, perform services or own rental property, whether or not tax is due.
• Your business is located within or doing business within the City of Sharonville.

What income is taxable?

• Qualifying wages are defined by the IRS tax code section 3121(a). It includes many different types of income, including but not limited to wages, sick pay, vacation pay, commissions, severance pay, settlements, bonuses, fringe benefits, short-term disability pay, stock options and deferred compensation. It is usually found in Box 5 (Medicare wages) on your W-2, however there are some exceptions.
• Other Income (generally listed on line 21 of your Federal 1040 tax form) such as gambling winnings, H.S.A. and scholarship distributions, director’s fees, jury duty income and prize winnings.
• The net of all profit and losses from profession and/or business operations.

What income is exempt from tax?

• Interest, dividends, some royalties
• Capital gains (unless considered ordinary income)
• Alimony
• Military pay and allowances
• Proceeds from qualified IRS defined retirement plans
• Social security benefits, welfare benefits, unemployment benefits, workers’ compensation

This information regarding income is not all encompassing. Please contact our office if you have questions regarding the taxability of specific types of income.
Frequently Asked Questions (cont’d)

Do I get credit for paying other cities?
Yes, credit for taxes withheld or paid to another municipality is available to residents. It is limited to 1.5% of the amount of W-2 wages taxed to another municipality, and no amounts exceeding the 1.5% limit will be credited toward additional taxable income. Credits for taxes paid for business income are also limited to 1.5% and are pro-rated based on percentage of total business income. Documentation is required for any credit. There are no credits given for county, mental health, or school taxes paid.

What do I need to send in with my completed tax return?
- W-2 form(s)
- Federal 1040 tax return including:
  - Schedule A, C, E, and/or F if applicable
  - Documentation for any income reported on your Federal tax form as “other income” (line 21 on the Federal 1040 form)
  - Any other federal schedules or forms which document deductions or additions to your local tax return
  - Copies of other local tax returns or refund requests you’ve filed

How do I pay my tax?
- If you E-file, payment may be made by ACH or credit card within the website as you complete your return.
- Check or money order payments may be mailed in and should be made payable to "City of Sharonville Tax”.
- Payments by check, money order, cash, or credit card are accepted at the tax office.

Distracted Driving

Technology allows us to make phone calls, text, update social media, and email...all while driving. These actions, along with others that do not involve technology, are proven to increase crash risk. The National Safety Council observes April as Distracted Driving Awareness Month, and we want to take the time to remind everyone of the dangers of distracted driving.

Distracted driving is any activity that diverts attention from driving, including talking or texting on your phone, eating and drinking, talking to people in your vehicle, applying makeup, fiddling with the stereo, entertainment or navigation system – anything that takes your attention away from the task of safe driving. These distracting behaviors have severe consequences. Think of it this way – sending or reading a text takes your eyes off the road for 5 seconds, so at 55 mph, that is like driving the length of an entire football field with your eyes closed. And if that is not alarming enough, according to the National Highway Traffic Safety Administration, in 2015, 3,477 people were killed, and 391,000 were injured in motor vehicle crashes involving distracted drivers.

In Ohio, it is illegal to use a wireless device while driving, with a few exceptions: it is an emergency; the vehicle is stationary and outside a lane of travel; or the communication is done with a hands-free device. However, remember, something does not have to be illegal to be deadly. According to the Ohio State Highway Patrol 2017 Traffic Safety Bulletin, in 2016, the biggest distraction drivers reported was “Other inside the Vehicle,” which means passengers, food, and/or drinks. This comprised 60% of all distracted drivers and 50% of drivers in fatal crashes. “Phone” and “Texting/Emailing” were listed as distractions for 23% of the crashes in 2016 but 38% of distracted drivers in fatal crashes.

To sum it all up, driving requires our undivided attention. As drivers, we need to stay focused on the task at hand...driving. As passengers, we need to make an effort to limit distractions for the driver, and if need be, remind the driver that “it can wait.” If someone chooses not to wait while driving in Sharonville, the fine is $125.

A Lifetime of Service

Sue Koetz
Parks & Recreation Director

Dear Community of Sharonville, Members, Visitors and Colleagues,

After 36 ½ years I am retiring from the City of Sharonville on April 30, 2018. These have been the best years of my life. I have only positive memories that I will always draw upon as I enter into the next phase of my life.

Growing up, I could not have imagined a more perfect career than working as a programmer in this department and later being promoted to Parks and Recreation Director.

Even though I lived in Blue Ash, just over the border from Sharonville, I always considered Sharonville my true home. I graduated from St. Michaels and played SYO Sports from fifth grade until my senior year in high school.

So for me to have been blessed with this career has been a dream come true. I have truly appreciated serving this community that I love so much for all these years.

I have such a special place in my heart for all the people that I have proudly served and that I have built good relationships with including the residents, members, the wonderful volunteer organizations, my colleagues in neighboring communities, the elected officials, city administration, the team of Department Heads and all city employees.

My talent has been to surround myself with quality dedicated people and that describes the employees at the Sharonville Community Center. We have been a “Dream Team” of creative, caring and competent people who really make the difference in many people’s lives from the youngest to the most mature.

I am especially proud of the changes and growth that have occurred in recreation over the years. I have been privileged to be on the ground floor of several big expansions such as the 1997 Expansion of the Community Center and the building of the Family Aquatics Facility in 2004. There have been many more improvements and smaller projects in-between.

This year, in 2018, even more of these great changes are coming to the community under the guidance of the elected officials and city administration and as the torch is passed to many talented and qualified people.

I know that it may not be professional to say but this has not been a job to me. It has been my life and my desire to make this community and department a little bit better than when I came here.

I have made lifelong friends and “family members” along the way. Thank you for allowing me to serve you all these years.

Sue Koetz

Instructor Spotlight
Joe Becerrill, Functional Fitness Trainer

I began working in the fitness industry over a decade ago because of a thirst for helping people become healthier and happier with their lives. In that time I have had the pleasure of working with hundreds of clients of every shape, form, and skill level. I have used the education, certifications, and experience that I have received as guiding points to put together a comprehensive program built to achieve results in each individual client. As a father, business owner, and coach I understand how difficult it can be to make time for ourselves, and to develop healthy habits, but I also understand the importance of doing so.

Why Do You Love Sharonville?
Christina Gentle
My family moved to Sharonville almost 13 years ago. We love that is a small town in a big city. We love the library, the rec center (especially the summer camp), the pool, the park, and our church!
