**Energy Aggregation Update:**
Many cities, villages & townships in Ohio offer natural gas and electric aggregation programs to their residents and small businesses. If you receive an official governmental Opt-Out Aggregation notice in the mail from an entity other than Sharonville, please notify city offices or Jennifer Kist at The Utilities Group (513.481.7954 x103). In late September, West Chester Township erroneously mailed letters for its gas program to some Sharonville residents. Working together, Sharonville and West Chester officials were able to resolve the issue timely, and Sharonville participation was uninterrupted.

As a reminder, information regarding joining or renewing participation in Sharonville's energy aggregation programs is sent to you via regular mail with the City of Sharonville logo clearly visible on the envelope. No door-to-door visits.

Sharonville's current natural gas aggregation program ends in June 2019; the electric aggregation program ends in December 2019. For more information, please contact Jennifer Kist at the number above.

Message from the Mayor

Yearly, the Sharonville Chamber of Commerce invites the City of Sharonville to present on the State of the City. In November, City Economic Development Director Chris Xeil Lyons and I had the pleasure of doing just that. And I am proud to report to you - as I did to those business leaders of our community -- that our City is in an excellent state. Those who work in our City are experiencing some of the strongest years of earnings in recent times. As a result, the resources available to the City to serve you - the residents and businesses of Sharonville - are at levels unseen since over the last decade.

Coupling strong receipts with the economically-conservative leadership of your elected officials, we have spent two years in a row debt-free in our general fund. This has allowed the City to focus our attention on needed infrastructure modifications and long-term capital improvements. As we enter into 2019, the City looks forward to seeing these planned projects come to fruition. From the building of a new police station, renovating of a fire house, re-imagining of our city's parks, modernizing of our city building's administrative offices to the updating of our city's master plan, the new year will be a busy, productive and promising one.

The Chamber invited several students from Princeton High School to this year's event. These ambitious and eager young minds are the ones for whom we do this building, planning and restoration. As they grow and move to the next chapter of their lives, Sharonville wants them to see our City as THE place (like their parents and, for some, their grandparents) to live, work and play in their future. I am truly blessed to have had your support in leading this great City. It is my sincere hope that our city's employees, your elected officials and I have and continue to provide you the ability to take pride in proclaiming that you are a part of the City of Sharonville. I wish for you all a very happy and joyous New Year!

Kevin M. Hardman

Winter 2019 Hometown Guide 3
PUBLIC WORKS

**SNOW REMOVAL PROCESS**

All major thoroughfares are plowed and treated first for emergency service vehicles so they can safely reach residences. Residential streets are secondary.

When a SNOW EMERGENCY is declared, all vehicles on a street must be removed. Vehicles left unattended on a City street during a SNOW EMERGENCY will be removed by any reasonable means, including towing. Such expenses will be charged to the owner or person in control of such vehicle.

Stay at least two car lengths behind a snow plow for every 10 mph you are traveling. Never cut in between a caravan of plows clearing a road.

For more information on the City’s snow policy, visit: http://www.sharonville.org/202/Snow-Removal.

**SNOW SHOVELING GUIDELINES**

- Do not shovel snow into the street.
- Older residents & those with health problems are reminded to avoid the extreme physical activity associated with shoveling snow.

**PARKING GUIDELINES DURING SNOWY CONDITIONS**

- When snow is predicted, do NOT park on the street as seen here.
- Park your car off the street, so streets can be plowed & treated more effectively.
- When cars are parked on the street, it is impossible to plow more than one lane.

Call 513-563-1177 for Christmas tree disposal.
TRASH COLLECTION REMINDERS

Disposal of refrigerators, freezers and other appliances that contain chlorofluorocarbon (CFC) refrigerants must have the CFC removed from the appliance by a Certified Technician and have documentation attached to the appliance verifying that the CFC has been safely removed. Rumpke will then pick up the appliance on your normal trash pickup day.

Disposal of cloth couches and chairs, mattresses and box springs can be placed at the curb with normal trash pickup. These items MUST be wrapped in plastic and sealed tight with tape. Please call RUMPKE at 513-851-0122 a day in advance to notify them of a large item pickup.

Disposal of computers, televisions, fluorescent bulbs and hazardous waste cannot be placed at the curb for Rumpke trash collection. The Hamilton County and Butler County Recycling and Solid Waste Districts can help you with disposal of electronic and hazardous waste items for homeowners ONLY. Fluorescent bulbs can be taken to hardware stores (Home Depot, Lowes, and Menards) for proper disposal.

This Cop Is Off Duty!

With more than 35 years of service to the citizens of the City of Sharonville, Lt. John Cook will make his final radio call on January 18th, 2019. There is not enough room in the Hometown Guide to list all of the accomplishments and accolades John Cook has earned over the length of his career. Here are some highlights:

In 1964, John moved into Sharonville with his family and became a Princeton Viking where he graduated high school in 1979. He continued his education at Cincinnati State and University of Cincinnati majoring in Business. He was hired as an auxiliary police officer by the City of Sharonville and attended the Scarlet Oaks police academy in 1983.

He joined the United States Coast Guard Reserves and served from 1984-1988. In 1985, John was hired as a clerk/dispatcher at Sharonville PD until 1987 when he was hired as a Cincinnati Police officer.

But it was an early morning phone call in 1988 from then Chief Bill Nuss when John was given the opportunity to be hired by the Sharonville Police Department as a full time officer. He said yes faster than a speeding locomotive.

From there, his career path took this road: In 1991, John spent 15 months as an undercover narcotics agent with Drug Abuse Reduction Task Force leading up to his assignment as a detective in 1995. In 1996, John was promoted to Sergeant and returned to the patrol division and was then promoted to Lieutenant in 1999 and became a shift commander.

In 2001, John was assigned as the Patrol Commander where he served as command staff until 2015. He then had a triumphant return to the road patrol division as the day shift commander. In August of 2018 he would return to command staff as the Patrol Commander where he would finish out his career.

During this whirlwind tenure, John was the Police Officer of the Year in 1989, 1992, 1994 and again in 1995 also receiving several Medals of Merit for his above and beyond service and dedication to the community and the Police Department.

Lt. John Cook, thank you sir. Congratulations for a job well done!

Filing Due Dates for 2019

**Individual Returns:** On or before **April 15, 2019**

**Business Returns:** On or before **April 15, 2019** or the 15th day of the 4th month following the end of the fiscal year*.

**Withholding Reconciliations:** On or before **February 28, 2019**

*If the due date falls on a weekend, a federal holiday or a holiday observed by the State of Ohio, the due date will be the following business day.

**Why Do I Have to Pay Estimate Payments?**

All federal, state, and local taxes are due during the year that income is earned. Most companies withhold federal and state taxes from your paychecks, but they may not withhold local income taxes, or may withhold less tax than our 1.5% rate. If a taxpayer reasonably expects to owe $200 or more due to not having at least 1.5% local tax withheld they need to make estimate payments or may be charged penalties.

If you owe less than $200 but still wish to make estimated payments please note this on your tax return.

Second quarter estimate payments are due by June 17, 2019. For your convenience a coupon was sent with your 2018 tax return. Invoices will be sent for the 3rd and 4th quarter payments which are due on September 16, 2019 and January 15, 2020.

**Do I Need to File a Tax Return?**

The answer is yes if any of the following apply:

- You are a resident of Sharonville 18 years old or older, regardless of your income level.
- You are under 18 years old and have earned income.
- You are a non-resident who works within the City of Sharonville and your income is not fully withheld by an employer.
- You are engaged in a business within the City of Sharonville and have sales, perform services or own rental property, whether or not tax is due.
- Your business is located within or doing business within the City of Sharonville.

**Why Do I Have to Include My Federal 1040 Form?**

All cities in the State of Ohio now require a copy of your federal 1040 form to be included with your local tax return (this has been a Sharonville requirement for many years). This helps us assure we have all the necessary paperwork and are taxing & giving credits for the correct amounts.

**How Can I Get an Extension?**

If you have received a federal extension to file, you automatically can have an extension with the City of Sharonville until October 15, 2019. A copy of the extension must accompany the filed tax return to avoid penalties. If you do not apply for a federal extension you may request an extension in writing with our office by April 15, 2019. Please remember that an extension to file does not give you an extension to pay your taxes, so be sure to make all payments by April 15th.

**What Income is Taxable?**

- Qualifying wages are defined by the IRS tax code section 3121(a). It includes many different types of income, including but not limited to wages, sick pay, vacation pay, commissions, severance pay, settlements, bonuses, fringe benefits, short-term disability pay, stock options and deferred compensation. It is usually found in Box 5 (Medicare wages) on your W-2, however there are some exceptions.
- Other income such as gambling winnings, HSA and scholarship distributions, director’s fees, jury duty income and prize winnings.
- The net of all profit and losses from profession and/or business operations.
**What Income is Exempt from Tax?**

- Interest, dividends, some royalties
- Capital gains (unless considered ordinary income)
- Alimony
- Military pay and allowances
- Proceeds from qualified IRS defined retirement plans
- Social Security benefits, welfare benefits, unemployment insurance benefits, workers’ compensation

This information regarding income is not all encompassing. Please contact our office if you have questions regarding the taxability of specific types of income.

**Do I Get Credit for Paying Other Cities?**

Yes, credit for taxes withheld or paid to another municipality is available to residents. It is limited to 1.5% of the amount of W-2 wages taxed to another municipality, and no amounts exceeding the 1.5% limit will be credited toward additional taxable income. Credits for taxes paid for business income are also limited to 1.5% and are pro-rated based on percentage of total business income. Documentation is required for any credit. There are no credits given for county, mental health, or school taxes paid.

**What Do I Need to Send in with My Completed Tax Return?**

1. W-2 form(s)
2. Federal 1040 tax return including:
   - Schedule A, C, E, and/or F if applicable
   - Documentation for any income reported on your Federal tax form as “other income”
   - Any other federal schedules or forms which document deductions or additions to your local tax return
   - Copies of other local tax returns or refund requests you’ve filed

**How Do I Pay My Tax?**

- If you E-file, payment may be made by ACH or credit card within the website as you complete your return.
- Check or money order payments may be mailed in and should be made payable to “City of Sharonville Tax”.
- Payments by check, money order, cash, or credit card are accepted at the tax office.

The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years. Survey Says...

Multi-Use Trail Survey Results are In!

Thank you to everyone who gave their feedback regarding the current and desired status for multi-use trails in Sharonville. Over the span of three months, after we published our survey in the summer edition of the Sharonville HomeTown Guide and advertised a Survey Monkey link of the survey on social media, we received 348 survey entries, which represented 693 adults and their dependent 299 children. This is 7.2% of the population in Sharonville.

We are excited to report residents enjoy walking in Sharonville! When residents aren’t driving their car, 67% percent of survey respondents say they prefer to walk. In fact, 46% of the survey respondents walk daily, and 83% of respondents walk at least once a week! Having convenient locations to walk or bike in Sharonville is important to 91% of survey respondents.

Results show that 36% of survey respondents believe that there is room for improving the convenience of walking, biking or running along trails in Sharonville. We are happy to report that 88% of survey respondents indicated that they would use dedicated multi-use recreation trails for walking, running or biking if made available in Sharonville.

The survey results will help the Community Development Department to improve the connectivity of Sharonville as we embark on the City of Sharonville 2030 Comprehensive Plan. Stay tuned for more information on an expansion of the Kemper Road multi-use trail!

Full results of the survey will be available on the City of Sharonville website in early 2019.

CARBON MONOXIDE SAFETY

Carbon monoxide is an odorless, colorless gas that can cause sudden illness and death. In our homes, some of our appliances such as furnaces, ranges and water heaters run on gas as opposed to electric. If not operating properly, any one of these appliances can cause carbon monoxide gas to build up inside our homes. Even fumes from our cars can build up in our home. Never let your car idle in the garage with the garage door closed.

When exposed to carbon monoxide, the most common symptoms are: headache, dizziness, weakness, nausea, vomiting, chest pain and confusion. Low level exposure to carbon monoxide produces flu-like symptoms without the fever. High levels of carbon monoxide can cause loss of consciousness and death.

If you feel any of these symptoms and suspect carbon monoxide poisoning, leave your home or building immediately. When outside call the Fire Department and do not go back inside. The Fire Department will check the levels of carbon monoxide in your home and let you know if it is safe to return inside.

If you have gas-supplied appliances in your home, install a carbon monoxide detector. Have your gas-supplied appliances inspected annually by a qualified company. These small steps can save your and your family's life.

Carbon monoxide poisoning can happen anywhere gas has the ability to accumulate. Recently, carbon monoxide was the cause of death for three people at a hotel in North Carolina.

Detailed information can be found on the Centers for Disease Control and Prevention website at www.cdc.gov/co
