Message from the Mayor

One of my most memorable assignments as a young Sharonville Elementary student in the early 1980s was to describe American life in the year 2000. That seemed a really long way off then. If that world had come to fruition, we would be living in underwater bubbles right now. We would be connected to land and other underwater bubble cities via high speed tubes. And, we would be flying within our bubbles thanks to the assistance of our own personal jet packs. Clearly, we have not advanced to that level. But, not many would have envisioned 30 years ago that people would be walking around with personal computers in their pockets. Visioning the future can be tricky, but a necessary exercise to both grow and improve.

This is why the City is embarking on our Sharonville2030 project. From this project, the City will develop a new comprehensive plan and revise our entire zoning code. These documents will clarify the direction that the City of Sharonville will be headed in the decade to come. For the next several months, we will be focusing on what our city's priorities are for development, recreation and living. This past January, we successfully began this journey with a community forum during which our city staff and contractors (Compass Point Planning and McGill Smith Punshon) engaged nearly one hundred interested residents in the advantages of, challenges within and hopes for the City of Sharonville. Be on the lookout for other opportunities (online surveys, public meetings, other community forums) where your input is being solicited in creating this vision for the future. You can also visit www.sharonville2030.com to read more about this important project to our city’s future.

I don’t anticipate by 2030, we will be flying high with jet packs or regularly traveling underwater. I do expect, however, we will be working toward providing better connectivity between all regions of our city, working toward giving residents and business people improved access to recreational amenities and seeing improvements to some of the more challenging portions of our City. I hope that you take us up on the offer to be a part of Sharonville2030. This is your City and its direction for the future is up to you!

Energy Aggregation Update

The current natural gas aggregation program is served by IGS at market price plus an adder to cover ancillary costs. Each month, the gas price is locked in (fixed) when the market is favorable; sometimes a few forward months are fixed simultaneously, depending upon market conditions. Overwhelmingly, the City’s monthly fixed price is lower than Duke Utility’s Gas Cost Recovery (GCR), which changes monthly. Since inception, Sharonville residents and small businesses participating in the aggregation program have saved over $515,000 as compared to Duke’s GCR pricing. When comparing gas pricing from suppliers against the utility, always be sure to include sales tax in their price for an apples-to-apples comparison.

Sharonville’s current electric aggregation program is served by Dynegy at a fixed price of $0.0519/kwh; the pricing ends in December 2019.

As a reminder, any information regarding joining or renewing participation in Sharonville’s energy aggregation programs is sent to you via regular mail with the City of Sharonville logo clearly visible on the envelope. No door-to-door visits are permitted.

For more information, please contact Jennifer Kist at 513-481-7954. Jennifer works with The Utilities Group, an energy advisory firm located in Sharonville. The Utilities Group works with the City of Sharonville to administer its aggregation programs.

The Sharonville Food Train is Back in 2019!

Congratulations to our 2018 Sharonville Food Train winner, Julie Dietrich!

She and seven guests enjoyed the grand prize, a private dinner at the Sharonville Convention Center with Chef Brad!
WELCOME OUR NEW OFFICERS!
ALEX MADYDA & SEAN GROGAN

Both are graduates of Moeller High School! Alex attended classes
at Cincinnati State University. He is married to Kellie (Deiters)
Madyda and they have two children, Elizabeth 15 and Trent 9. Alex
grew up in and around the Sharonville area and has family still
living in Sharonville. Alex comes to us from the Hamilton County
Sheriff’s office where he has worked since 2001. He served as an
exemplary member of the Court Services Division. Becoming a
Sharonville Officer has been a lifelong goal. Welcome, Alex!

Sean furthered his studies at University of Cincinnati with a
B.A. in Political Science with Honors. Sean speaks Spanish
and is a competitive shooter. Sean first became interested in
law enforcement as a teenager and joined the Madeira Police
Department Explorer Post where he stayed active until he was
appointed to the Madeira Auxiliary Police Force. He comes to us
with five years of combined law enforcement experience with time
worked in Norwood and Fairfax. Welcome, Sean!

MEET THE DISPATCHERS

When you call the police, who answers the phone? It is a position
vital to the daily operations of the police department, our dispatchers.
They are the community’s first contact in an emergency or an inquiry.
Get to know the dispatchers of the Sharonville Police Department!

Pam Schoonover is assigned to the day
shift and is our most tenured dispatcher
serving since 1995. She is a proud mom of
two sons. The youngest is a Sergeant in the
United States Marine Corp. and is looking
forward to her oldest son getting married
next year. In her free time, she enjoys gym
time at the Sharonville Community Center.

Amanda Healey started in Sharonville in
1996 and is assigned to the day shift. She
enjoys quiet time for knitting and reading.
She has an appreciation for a wide variety
of music. Amanda has always wanted to be
an archeologist, which is probably why she
loves to travel and explore new places.

Cindy Britton has been employed with us
since 1996 and is assigned to the second
shift. She loves to spend her time in the
garden and with her dogs. She is an active
social member at the Sharonville VFW
and likes to travel to new places on her
vacations.

Kathy Brady is on third shift and began with
the Police Department in 2004, but is no
stranger to the City. She first began as a
receptionist for Administration in 1996 and
has also in Tax and Sharonville Convention
Center. Kathy loves spending time with her
grandchildren and going to baseball games
to cheer on her favorite team, the Reds!

Miranda Oursler began in 2016 and is
assigned to the second shift. She enjoys
spending time with her young children
and doing crafts. She fancies herself quite
the karaoke singer and is a big fan of
the television show “The Office” and the
character Dwight.

Amy Smith, our newest employee, started in
2017 and is assigned to the third shift. She
enjoys spending her time away from work
taking care of and riding her two horses.
She has two dogs and likes to go hiking. Her
favorite place to visit is the Cincinnati Nature
Center.

Golden View Acres is a 52-unit Senior Citizen Retirement Village located on Greensfelder Lane off Thornview Drive. To be eligible for tenancy, a person must be at least 57 years of age and a current Sharonville resident for at least one year; or be a parent, grandparent, brother or sister of a current Sharonville resident who has resided in the City for one year.

Golden View Acres has both first and second floor units and one and two bedroom apartments. Each apartment has an equipped kitchen with stove and refrigerator, gas heat, hot water, and air conditioning. Tenants pay their own utilities except water. There are coin operated laundry facilities in each of the three buildings. The complex is a “Smoke Free” facility. After signing a lease agreement, THE RENT IS NOT RAISED unless an additional tenant occupies the same apartment or the current tenant moves to another apartment in the complex. At that time, a new rental agreement is then drawn up at the current rate.

To be placed on a WAITING LIST to rent an apartment, a written application must be made and a $50 fee deposited. This fee is refundable when you rent an apartment or request, in writing, to be taken off the Waiting List.

At the January Comprehensive Plan public meeting that engaged over 80 residents of Sharonville, participants were asked to identify their big ideas for Sharonville. Each participant selected the ideas that were their top three priorities. The table below summarizes each idea and how many first, second, and third priority votes each idea received. The ideas are ordered from highest to lowest priority based on a weighted result of all votes (i.e., a first priority vote equals 3 points, a second priority vote equals 2 points, and a third priority vote equals 1 point).

Results of the mapping exercise in which residents identified assets to the community and areas of improvement are on the following two pages.

**Property Reminders**

**Yard Maintenance**

Spring rains means lawns will require mowing. The City asks that you keep your lawn cut. Unkempt lawns create visibility issues, harbor rodents and pests, and diminish the character of Sharonville. Property values drop when lawns are neglected.

According to Section 521.13 of the Sharonville Codified Ordinances, grass over 8” tall is considered a weed and shall be removed. If tall grass is not mowed within 7 days of the posted notice, the City will send a team to cut the grass. The minimum charge for the City to mow an offending property is $250.00. The costs increase as the area to be mowed and the height of the grass increase. These costs are billed directly to the property owner. All payments collected will be returned to the City’s General Fund.

**Building a Shed?**

Before adding your structure, please create a plan and file for a permit at our Community Development Department to determine if the structure is allowed and compliant with zoning and building codes to avoid unnecessary violations. There are zoning guidelines that must be followed, according to the Sharonville Codified Ordinances, and failure to comply could lead to negative consequences for the owner and abutting neighbors.

Below are the general guidelines:

- Accessory structure shall not be constructed in the front or side yard.
- Accessory structure should not be closer than 20 feet to any main building or any right of way street, nor shall it be closer than 5 feet to any side or rear lot line.
- Should not exceed 14 ft. high
- Shall not exceed an area of 500 sq. ft.

Many residential subdivisions have private drainage easements (often termed drainage swales) that run along side and rear property lines that are reserved to carry and divert storm water away from building foundations. Placing building structures, even landscaping, in these easement areas can create major drainage issues for residential properties.
Map and results compiled by Compass Point and MSP Design as a result of the mapping exercise at the Comprehensive Plan public meeting.
1. Sharon Woods: great draw and resource. Central located, would like to see better pedestrian connection to community and parks.

2. Pedestrian connection from downtown Sharonville to Root Beer Stand and create a loop using Kemper Road.

3. Kemper Road: Study area for bike trail, installation of storm sewer, and beautification of corridor.

5. Francis RecreAcres: Nice park, improve pedestrian connectivity from Sharon Woods.

6. Gower Park: Nice park, would like to renovate Lovitt Building, enclose shelter, convert baseball field to amphitheater.

7. Sharonville Community Center: Good facility, possibility to expand and update site amenities.

8. Downtown Sharonville: Improve aesthetics of existing buildings, clean up sidewalks, utilities and street trees. Increase investment for restaurants and beautification, social gathering areas (gazebo), greenspace / plaza, vacate cross street, and increase lighting (LED).

9. SR-42 / Lebanon Road: High volumes of traffic congestion, update to LED lighting, connect missing gaps of pedestrian sidewalk, and create shared path from Sharonville downtown to Sharon Woods entrance.

10. Sharonville Plaza: Improve shopping center appearance.

12. Sharon Road: Create a shared-use path, study traffic impact from semi-trucks.

14. Princeton High School: an asset to the community and Sharonville school system.

15. Chester Road and Northerm Lights: Review zoning regulations for restaurant / fast food. Continue the improvements of the sidewalks and other utilities. Encourage additional restaurants and hotels to develop the convention center and Princeton High School.

16. Utilize the Mill Creek: Increase access points to allow canoes and residents to enjoy the creek.

17. Beautification entrance point on Kemper Road

18. Gorman Park: A good park for the community, improve and be redeveloped, no restaurant.

20. Study the possibility to divert traffic on abandoned rail line between Kemper and Sharon Rd to get around stopped trains.

21. Pedestrian connectivity for residents living in northwest area to other Sharonville amenities.

22. Abandoned commercial buildings

**Princeton City School District Adopts 100% Tobacco-Free School Policy**

The Princeton Board of Education recently adopted a new 100% Tobacco-Free School Policy based on the guidelines established by the Ohio Department of Health Tobacco Use Prevention and Cessation Program. All forms of tobacco are now prohibited by students, staff, and visitors in all school facilities, on school and athletic grounds, and in parking lots. Tobacco use is prohibited at all times, including school-sponsored events that are held off-campus.

“Adopting the 100% Tobacco Free School Policy in the Princeton City School District will help protect the health of our students, and hopefully help prevent them from starting to use any tobacco products, specifically e-cigarette devices,” said Superintendent Tom Burton.

Youth e-cigarette use in Ohio increased significantly between 2017 and 2018. The 2018 National Youth Tobacco Survey indicates more than 7% of middle school students and more than 27% of high school students report using tobacco products, with nearly 5% and 21% using e-cigarettes, respectively. According to the Ohio Department of Health, as more public school systems adopt tobacco-free policies, these rates will decrease.

The Ohio Department of Health Tobacco Use Prevention and Cessation Program provides guidance and resources for parents or school systems seeking to adopt a tobacco free policy. Learn more about this effort at https://odh.ohio.gov/wps/portal/gov/odh/know-our-programs/tobacco-use-prevention-and-cessation/prevention/.
