Why Can’t the City Do Something About the Stopped Trains?

Please understand that these blockages are frustrating to us as well, especially from a first responder perspective. This issue is not unique to Sharonville. We have been involved in several regional discussions about this matter.

When blockages occur, a representative from the Police Department will attempt to contact the railroad to get an update. In the past, patrol officers would also issue citations if the train was blocking the road for longer than a certain number of minutes. Based on some recent legal changes, we are no longer able to issue these citations.

Even though City and State of Ohio laws prohibit blockages over a certain amount of time, courts have held that these regulations are pre-empted by federal laws under the US Constitution’s Commerce Clause and federal laws do not set any limit on how long trains can block roads. The 6th Circuit Court of Appeals, here in Cincinnati, has held that restrictions like the above would require railroads to shorten the number of cars, in turn requiring it to run more trains, and that exceeds a city’s local regulatory authority.

With that said, we have discussed this issue with federal officials with the hope that the federal law may change. In addition, we will continue to have conversations with the railroads to, hopefully, reduce the number of times the inconvenience of blocked roadways exists. Last, with the assistance of the Ohio Rail Development Commission, we have been reviewing how others throughout the state have dealt with the above issue.

Hopefully, this information provides a better understanding on why the City cannot be more aggressive regarding blocked roadways. We will continue to have discussions with the railroad companies and state and federal officials in the hopes to improve outcomes.

To report blocked crossings, use the following website:

www.puco.ohio.gov/puco-forms/report-blocked-crossings-to-federal-railroad-administration/
We are thrilled and excited to introduce you to our newest officer, JACK! Through the generosity of the Matt Haverkamp Foundation, Jack was purchased from Shallow Creek Kennels in Sharpsville, Pennsylvania. Jack is a one year-old Belgian Malonois born in the Czech Republic and is happy to call Sharonville home. Jack and his handler, Officer Danny Lee, completed a 300-hour training course at Shallow Creek Kennels in April and are now out and about in our community. Please join us in welcoming Jack, and wishing him and Officer Lee a safe and successful partnership!

KEITH ISAACS is approaching his 10 year anniversary with our department but served 4 years in the United States Marine Corps assigned to Presidential Service prior to pursuing his law enforcement career. Keith is a Field Training Officer for our new recruits while keeping our veteran officers up to date on their training as well. He holds numerous Instructor certifications in Defensive Tactics, Taser, and Simunitions to name a few. From his peer nomination: “He is an all-around strong employee with knowledge in all aspects of the job. Keith puts a great amount of time and effort into all of his cases, and does all he can to solve them on his own before enlisting the help of the detectives... he goes above and beyond on everything he is tasked with. He is a great role model for new officers and therefore is very successful as an FTO... Keith is an extremely valuable resource to our department.”

JANICE CARUSONE has been with our department with 29 years. She began as a Clerk/Dispatcher in 1990 and became the Secretary to the Chief of Police in 1993. In 1995 she served a dual role as the Chief’s Administrative Assistance and Supervisor of the Clerical Division. When the position changed in 1997, a separate position was created for a Communications Supervisor and Janice has been the Assistant to the Chief of Police ever since. Words from her peer nomination say it all: “Janice is a part of the operation on almost every level and is crucial in keeping the department running. Janice has continued with her normal excellent work managing the budget and payroll while taking on additional responsibilities... [she] played a key role in switching our [entire department's scheduling program]. Janice is a go to person when employees have questions about almost any aspect of the functioning of the department. Janice takes care of public records requests, maintains all of our files, and coordinates our hiring process.”
Please join us in congratulating Lead Inspector Kevin Willman and Part-Time Inspectors Steve Kathmann and Dave Messerschmitt on receiving this year’s award. They work every day to make not only the citizens and workers within the city safer, but their fellow fire department employees. Many times the Inspector will be on scene of a fire alarm and working with the business to remedy the issue before the call is over. They review calls over the weekend and respond to email questions about issues found after hours. Congratulations to these three highly deserving individuals on a job well done!

If you live in a platted residential subdivision there are probably permanent improvements such as storm water detention basins, channels, and drainage swales that must be maintained, in order to effectively transmit storm water away from home foundations toward approved drainage facilities.

Property owners may not be aware that the installation of detached garages, sheds, walkways, driveways, swimming pools and even landscaping can change the approved drainage system on a property and create a headache for neighbors. These approved drainage systems are PRIVATE and must be maintained by the property owner(s) or Homeowners Associations, not the CITY.

Property owners need to be cognizant of these approved drainage systems - if you modify or block a drainage channel or change the direction of natural flow, you may be responsible and liable for damage caused on another’s property.

Basic Rules to Remember:
• No mechanical (sump) pumps are to be tied to the downspout lines that discharge through an underground pipe to the public street, curb, or within 10 feet of a property line. Sump pumps can only discharge into approved drainage easements or facilities.
• Do not enclose existing drainage swales into a pipe – drainage swales are designed to be open and by concentrating the storm water flow in a pipe, you could damage neighboring property. It is better to work with your neighbors, and not push your water problem onto them. Open swales are the best environmental solution to storm water when the storm water infiltrates or drains away within 24 hours.
• Downspouts that lead to an underground pipe cannot be “day lighted” or come to the surface above the ground closer than 10’ from the property line.
• Keep the swale clear of brush and logs. Never put leaves, mulch or grass clippings in or near a stream or swale.
• Never plant trees or landscaping in an approved storm water drainage swale.

Inoperable and unlicensed motor vehicles in the side or back yard are NOT exempt. Please be considerate of neighbors and the impact such vehicles can have.

Inoperable and unlicensed motor vehicles on private properties can negatively impact the quality of life in local neighborhoods.

Section 302.8 of the City of Sharonville Property Maintenance Code states that “no inoperative or unlicensed motor vehicle shall be parked, kept or stored on any premises, and no vehicle shall at any time be in a state of major disassembly, disrepair, or in the process of being stripped or dismantled. Painting of vehicles is prohibited unless conducted inside an approved spray booth.”

An inoperable motor vehicle is defined as a vehicle which cannot be driven upon the public streets for reasons including, but not limited to, being unlicensed, wrecked, abandoned, in a state of disrepair, or incapable of being moved under its own power.

Inoperable and unlicensed motor vehicles in the side or back yard are NOT exempt. Please be considerate of neighbors and the impact such vehicles can have.

Contact the Sharonville Community Development Office to report an inoperable or unlicensed motor vehicle on private property. Use https://oh-sharonville.civicplus.com/requesttracker.aspx to report a complaint online.

Sharonville Residents Recycled 637 Tons in 2018

Congratulations to all the residents who recycled in 2018. On average, each household in Sharonville recycled 316 pounds—that’s 15.86% of all waste collected in Sharonville in 2018.

Sharonville’s Recycling Efforts:
- Conserved enough energy to power every home in Sharonville for 10 days
- Reduced more air pollution than if every household in Sharonville rode their bicycles to work for 6 weeks
- Saved 5,519 trees from being harvested

Waste Diverted:
- 39,777 tons of materials were recycled by Hamilton County residents
- 8,818 scrap tires were collected
- 2,819 tons of yard trimmings composted through residential drop-offs
- 329,564 trees were saved through recycling efforts by Hamilton County residents

Natural Resources:
- Every ton of newspaper or mixed paper recycled saves the equivalent of 12 trees.
- Every ton of office paper recycled saves the equivalent of 24 trees
- Every ton of steel recycled conserves 2,500 pounds of iron ore, 1,400 pounds of coal, and 120 pounds of limestone.

The City of Sharonville understands and believes in the importance of recycling. For that reason, the City offers curb side collection of recyclables as a FREE SERVICE to its residents.

If you want a larger recycling container (95 gal), call Rumpke Recycling at 800-582-3107. If you are not currently recycling, please reconsider and call Rumpke to get your free recycling container.

Rumpke Summer Reminders

Annually, Rumpke sees an increase in truck fires during summer months because of common summer items like pool chemicals, charcoal embers, propane tanks and other flammable materials incorrectly placed in the trash. As a reminder:
- Pool chemicals can be highly reactive and capable of generating extreme temperatures, as well as releasing toxic vapors, if improperly handled or stored.
- Charcoal embers and fireworks that aren’t properly extinguished can reignite. Please soak these items in water prior to disposal.
- Lithium ion batteries – like the batteries in yard equipment, cell phones or laptops, can ignite when compacted in garbage trucks.

Rumpke offers the following tips for disposing of these types of materials:
- Check the label: A lot of household cleaning supplies contain dangerous chemicals. If the container is labeled “Danger” or “Poison”, this is an indication of hazardous waste, do not place the item in your trash or recycling container.
- Review service guidelines: Find them on the back of your Rumpke invoice or at www.rumpke.com.
- Research local options: Most local solid waste districts offer residents disposal options for household hazardous wastes, such as: paint thinner, lawn and pool chemicals, batteries, florescent light bulbs, gasoline and oil, insecticides, and charcoal

As a reminder, federal law prohibits Rumpke from collecting batteries, tires, liquids, combustible materials or any items identified as hazardous. For more information about what should and shouldn’t be placed in trash or recycling containers, please visit www.rumpke.com
IF YOU FORGOT TO FILE YOUR SHARONVILLE TAX RETURN
We suggest you file as soon as possible. You can still e-file at www.municonnect.com/sharonville, mail the return, or stop by our office for assistance. Continuing to delay filing will only increase possible penalties.

Refunds are processed in the order received. You should expect a response to arrive within 90 days.

RECEIVED A LETTER ASKING FOR MORE DOCUMENTS?
The State allows us to initially require your W-2s and Federal 1040 form to calculate your Sharonville taxable income. If we didn’t receive your W-2s or federal form, or require additional information (including other federal forms or schedules), we then send a request for the needed documents to verify the data on your tax return. Please send the requested information in as soon as possible so your tax return can be completed. Failure to send in these documents can result in lost credits, late filing fees, or additional charges if a payment is subsequently due.

EXTENSION DUE DATE
All local tax returns with a Federal extension are due by October 15, 2019. A copy of the extension should accompany the filed tax return to avoid late filing fees. Extensions only extend the time allowed to file a tax return, they do not extend the payment due dates.

AM I REQUIRED TO PAY ESTIMATED TAXES?
All individuals and businesses that reasonably expect to owe $200 or more due to taxable income, after subtracting credits from withholding by an employer, are required to estimate and pay the tax during the year the income is earned.

If you owe less than $200 but still wish to make estimated payments you may do so at any time. You may increase or decrease your estimated taxes at any time by notifying us in writing.

2nd quarter payments were due by June 17, 2019. Invoices will be sent twice this year for the 3rd and 4th quarter payments which are due on September 16, 2019 and January 15, 2020. Failure to pay at least 90% of your 2019 tax liability by January 15, 2020 may result in a 15% penalty.

How Do I Pay My Tax?
- If you e-file, payment may be made by ACH or credit card within the website as you complete your return.
- Bi-monthly invoices are sent for all tax balances. If you have questions regarding any balance due please call.
- Check or money order payments may be mailed in and should be made payable to “City of Sharonville Tax”.
- Payments by check, money order, cash, or credit card are accepted at the tax office.
- Payments may also be made through Official Payments either online or by phone at 1-800-487-4567. Official Payments does charge a nominal fee for this service which may be calculated using the fee calculator available.

PROPERTY TAXES
The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years.

For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor’s office at (513) 946-4000 or the Butler County Auditor’s office at (513) 887-3154. Links to these offices are available on the Sharonville website.

SHARONVILLE GIVES
City of Sharonville employees are encouraged to volunteer with organizations within our community to give back and strengthen relationships through an initiative by Mayor Kevin Hardman. These activities have made a tremendous difference in supporting our community and further developing relationships. Pictured are employees volunteering with the mobile food pantry, Cottingham Retirement Home, Sharonville Elementary, St. Michael’s School and trash clean-up.

ADMINISTRATOR OF THE YEAR
The Greater Cincinnati Chapter of the American Society for Public Administration (ASPA) recently recognized Mayor Kevin Hardman as their “Individual Contributor of the Year.” During the award ceremony, ASPA mentioned Kevin’s steadfast leadership, his dedication and enthusiasm to energize City employees, the commitment to community service, and the Mayor’s fiscally responsible nature. In Kevin’s comments at the event, he acknowledged his fellow elected officials and the dedicated City staff who all work hard to make Sharonville a wonderful community.

The ASPA award follows other recent regional and national awards for Mayor Hardman, including the Cincinnati Business Courier’s Public Sector CEO of the Year Award in 2017 and American City & County’s National Municipal Leader of the Year in 2017. The City has received some wonderful publicity due to these recognitions.
Our parade begins at the corner of Reading Road and Sharon Road and will follow the entire Downtown Sharonville Loop! Be part of the Sharonville tradition. Join by entering a float, a classic car, marchers, mascots, musical groups or performers, or decorate your child’s bike and join our bicycle parade unit. Visit cityofsharonville.com to download our 2019 parade info packet or contact us at 563-2895.

The fun continues immediately after the parade at Depot Square with music, food and activities.

Familiar Tunes with a Twist - Take a musical trip down memory lane. We'll get your hands a-clappin', your toes a-tappin' and even the most reluctant of singers hummin' along. With multiple instruments and music “from the Hills of Appalachia to the Hills of Hollywood” we span the last century from traditional tunes to jazz and gospel with an interactive style that keeps all ages interested. There is something for everyone; visitors, residents and staff alike.

**RAISON D'ETRE - SONGS FROM THE WILD WEST**  
*Community Center Meeting Room*  
Before Western Swing and movie cowboys, what were the real cowboys singing on the lone prairie? Join folk trio, Raison D'Etter (as the Golden Girls of the West) for an hour of cowboy tunes. Saddle up for some singin’! Violet Rae Webster, Vickie Ellis, and Roberta Schultz are three women who live to sing together. Described by one critic as "divinely stirring", their singing seems to define this team of singer songwriters. Traditional folk songs, a capella swing tunes, and cowboy anthems round out this trio's versatile repertoire, all delivered in their pure Kentucky blend.
