# Message from the Mayor

As summer comes to an end, there is an annual ritual that takes place across our country. Neighbors and friends gather together with data, strategies and aspirations. Yes, it is time for the annual Fantasy Football Draft! For the last four years, my sons and I, my sons' friends and their Dads have gathered at Sharonville's Blue Goose to pick their teams for a football season of fun. Just another example of our community coming together as THE City to Live, Work & Play.

We are truly blessed by spots on our downtown loop, like the Goose, Depot Deli, Roc-a-Fella's, Game On Fitness and on and on, that encourage community gathering. Those spots continue to improve. After over 10 years in Downtown Sharonville, Alreddy Coffee & Café has expanded their hours into the evening and now can serve beer and wine. Angilo's added a new outdoor seating area that is a perfect place to sit and enjoy a pizza or hoagy on a beautiful fall day. Throughout the loop, with assistance from the City's small business façade grant program, I hope you have noticed changes to longstanding establishments like Chinese Imperial Inn, Al's Bar, Athenian and the Sharonville Cultural Arts Center.

The commitment to maintaining a City for living, working and playing goes beyond just our historic downtown. Our local Kroger recently held a grand re-opening of their newly remodeled store with the help of the Princeton High School Marching Band. Along Chester Road – our Northern Lights Corridor – Third Eye Brewery broke ground and is expected to be open for guests in the first quarter of 2020. Chamoda's Candy Café has brightened up its exterior and continues to brighten up the day of its guests who stop in for a sweet treat (really, those gummy bears cannot be beat). And excitement continues to build for the renovated Delta Marriott hotel and its rooftop bar.

As my kids cheer on their players throughout the 2019-2020 football season in hopes of gaining possession of the Sharonville Kids League Fantasy Football Championship trophy, I hope you will join me in cheering on our City. Great things have and continue to happen here in Sharonville. What really makes this town special are its residents, businesses and employees. We are all the reason that Sharonville is THE City to Live, Work and Play.

*Kevin M. Hardman*

## WHAT IS THE LEVEL OF FORCE USED BY THE SHARONVILLE POLICE DEPARTMENT?

Given the recent police-involved shooting at a Sharonville hotel, we thought it would be worthwhile to share information related to the police department's "use of force" with you. In years 2016 through 2018, the Sharonville Police Department arrested 1,700 individuals. The large majority of these arrests - over 80% - involved people who do not live in Sharonville. Of the 1,700 arrests, there were a total of 68 that involved use of force, or 4.0% of those who were arrested. None of these involved a shooting.

| Use of Force               | 2016 | 2017 | 2018 | Total |
|----------------------------|------|------|------|-------|
| Firearm                    | 0    | 0    | 0    | 0     |
| Taser                      | 2    | 0    | 3    | 5     |
| Baton                      | 0    | 0    | 0    | 0     |
| Chemical Irritant          | 0    | 1    | 0    | 1     |
| Physical Force             | 7    | 13   | 10   | 30    |
| Canine                     | 0    | 0    | 0    | 0     |
| Display of Firearm         | 15   | 17   | 11   | 43    |
| Display of Taser           | 1    | 4    | 1    | 6     |
| Total Uses of Force        | 25   | 35   | 25   | 85    |
| Total Use of Force Arrests | 20   | 27   | 21   | 68    |
| Complaints                 | 0    | 0    | 0    | 0     |
| Total Agency Arrests       | 626  | 522  | 552  | 1700  |

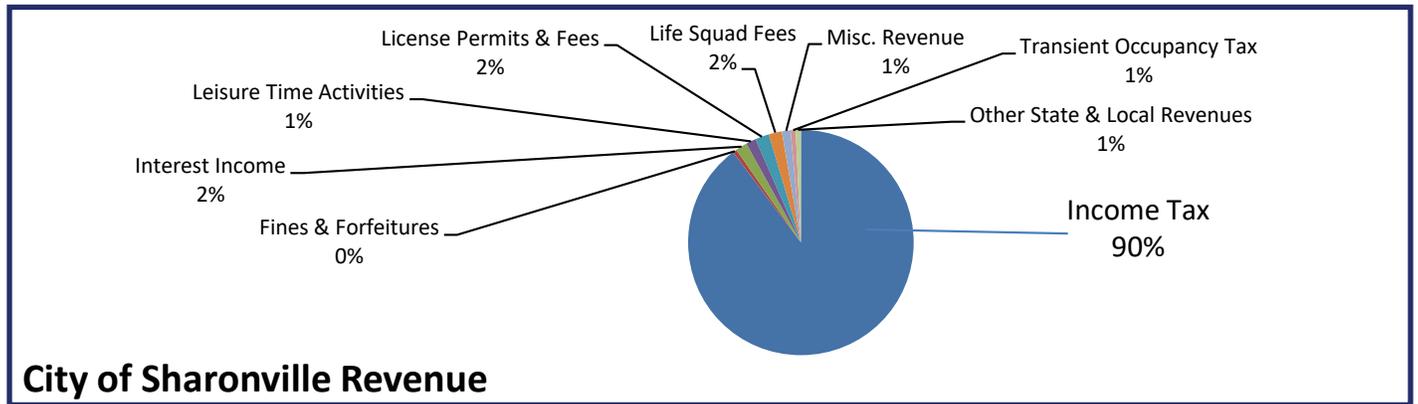

The 68 arrests involved 85 uses of force, as different types of use of force were applied in some instances. See the chart for a breakdown of the 85 times use of force was administered by the Police Department. The top two use of force types were the display of a firearm (43 times in 3 years) and physical force (30 times in 3 years). Batons and firearms were not used at all except for their display.

Hopefully, a review of the data will help with your understanding of the amount of use of force in the Sharonville Police Department.

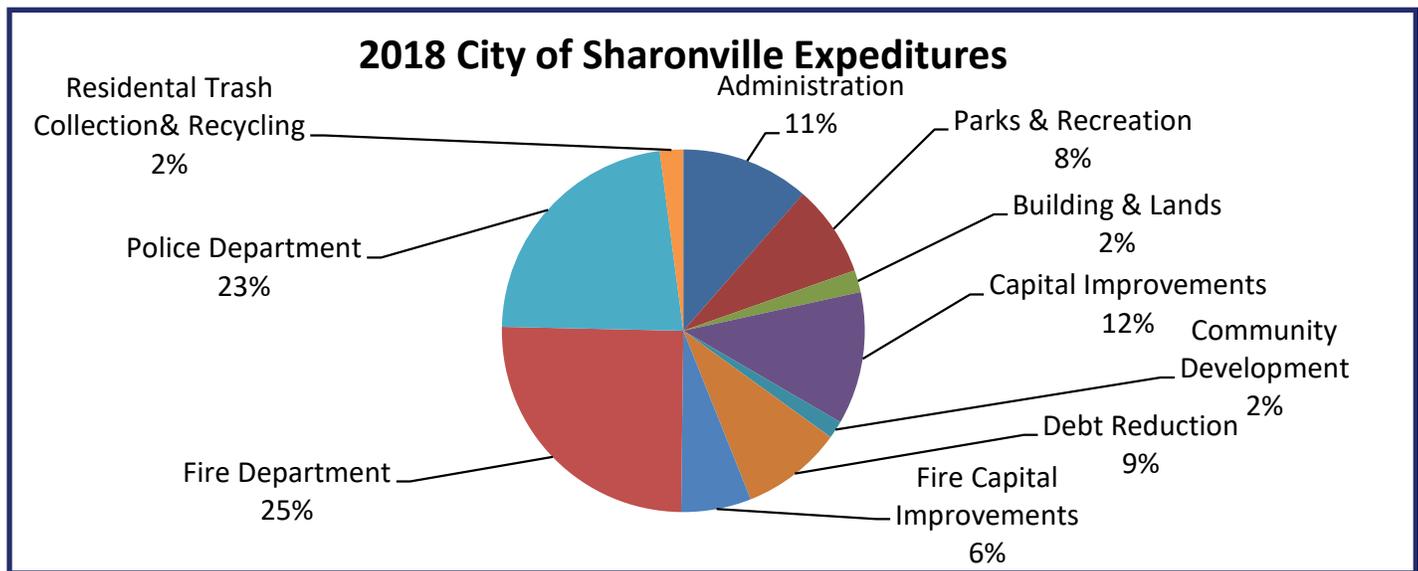

# TAX DEPARTMENT

## WHERE DID 2018 TAX DOLLARS GO?

100% of the City of Sharonville's income taxes are utilized by the General & Fire Funds. In 2018, 90% of these funds were provided by income taxes. This clearly shows how important this income is to the City's ability to provide the wonderful services & amenities you enjoy as you live and work here. The city does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years.

Almost 50% of this revenue is used for safety services in our Police and Fire Departments. Capital improvements are our 3rd highest expense, which includes the many road improvement projects completed this past year as well as equipment purchases and building projects.

**Note:** The charts above are limited to the income and expenses of the General and Fire Funds. The city's total budget includes many additional funds (i.e. Convention Center Fund, Street Fund, and Senior Housing Fund) which utilize resources other than income taxes to support their operations.

## UPCOMING TAX DUE DATES

### 2018 TAX RETURNS WITH EXTENSIONS:

All local tax returns with a federal extension are due by October 15, 2019. A copy of the extension should accompany the filed tax return. Extensions only extend the time allowed to file a tax return, they do not extend the payment due dates.

### Estimate Payments:

All estimate payments for 2018 are due by January 15, 2020. Failure to pay at least 90% of your 2019 tax liability by January 15, 2020 may result in a 15% penalty.

# POLICE DEPARTMENT

## ROLLING OUT A NEW LOOK

Our police officers are getting new, dark navy uniforms. With that comes an update to the police patch to better compliment the new color scheme. A committee of four officers was formed within the department to determine the vision of the new patch.

First, input was collected. Officers preferred the wide shape as opposed to the narrow, tall patch because they wanted SHARONVILLE up top and easy to find. The department felt Sharonville residents are a patriotic, proud and supportive community, so they wanted the American flag prominently displayed.

Because most police patches have a strong association to the state they represent, a great version of the Ohio State seal was found that the manufacturer was able to reproduce with a lot of details and colors. This particular version includes something unique to our Police Department; it represents both Hamilton and Butler Counties. This was important to them as they operate in both courts. Lastly, they wanted the date 1788 incorporated into the patch as it demonstrates how far back Sharonville's history goes.

Once all this input was collected, various options were sketched out, and then the department voted. This new patch was the overwhelming winner! It also nicely compliments the new color scheme of the dark navy uniforms.

This is the third major change to the Police patch. The previous patch was designed by Lt. Preuss and was placed onto new gray and black uniforms in 1997. Prior to that, Sharonville wore a denim blue uniform with a rounded shield type patch. The original patch was triangle shaped.

The new uniforms and new patches were rolled out into the field beginning in August. We hope you enjoy the new, fresh look!

## BRUSH AND SPECIAL PICK-UP SERVICE

- Curbside Brush and Special Pickup is a FREE year round service (unless it is snowing and we are treating the roads) to residents.
- Residents must call by 5:00 p.m. Friday to have their address put on a list for pick up the following week.
- Twigs cannot be picked up. They are yard waste and must be disposed of with your regular garbage pick-up.

## DISPOSAL REMINDERS

- Refrigerators, freezers and other appliances that contain chlorofluorocarbon (CFC) refrigerants must have the CFC removed from the appliance by a Certified Technician. Attach documentation to the appliance verifying that the CFC has been removed. Call RUMPKE at 513-851-0122 a day in advance of your normal trash pickup day to notify them of an appliance pick up.
- Couches, chairs, mattresses and box springs MUST be wrapped in plastic and sealed tight with tape at the curb for normal trash pickup. Call RUMPKE at 513-851-0122 a day in advance to notify them of a large item pickup.
- Computers, televisions, fluorescent bulbs and hazardous waste cannot be placed at the curb for Rumpke trash collection. The Hamilton County and Butler County Recycling and Solid Waste Districts can help you with disposal of electronic and hazardous waste items for homeowners ONLY. Fluorescent bulbs can be taken to hardware stores (Home Depot, Lowes, and Menards) for proper disposal. For more information on Recycling and the disposing of computers, T.V.'s and hazardous waste materials:

Hamilton County: 513-946-7766 or [hamiltoncountyrecycles.org](http://hamiltoncountyrecycles.org)  
Butler County: 513-887-3653 or [butlercountyrecycles.org](http://butlercountyrecycles.org)

## TRUCK LOAN PROGRAM

- Available until October 31st for 2019 for large trash disposal.
- Cost for homeowners is \$50 a night and \$60 for the weekend - for businesses \$90 for nights and weekends.
- Call to schedule a truck.

## SEASONAL REMINDERS

### FALL:

- There is no leaf pick up program in the City of Sharonville – raking leaves into the street gutters is not permitted.
- Raking leaves into the gutter causes catch basins to back up and flood streets. Rake and bag leaves for pick up and disposal with Rumpke on your trash days. Rumpke has a 10 item limit.
- If you have a storm culvert that runs along your property line or under your driveway, it is the homeowner's responsibility to keep these culverts and the inlets clear of leaves and debris. Clogged culverts affect drainage upstream and flooding on roadways and surrounding areas.

### WINTER:

- During a snowstorm, do NOT park vehicles on the street. Cars parked on the street create additional obstacles and restrict visibility. Parking your vehicle in your driveway allows for a more complete clearing of your street. Wherever practical, we will attempt to keep the snow build-up to a minimum. We are unable to remove plowed snow from in front of driveways. This is the responsibility of the homeowner. Do not shovel snow into the street.
- Older residents and those with health problems are reminded to avoid physical activity associated with shoveling snow.
- Stay at least two car lengths behind a snow plow for every 10 mph you are traveling. Never cut in between a caravan of plows clearing a road.
- Beware of black ice, roads that look wet but actually are glazed with ice. Ramps and bridges freeze first.
- Winter weather brings potholes and other unsafe conditions. Please notify Public Works of any curb, street, sidewalk or storm drainage problems in the City. The Public Works Department will attempt to correct the safety problems in a timely manner.

**GOLDEN VIEW ACRES** is a 52 unit apartment senior retirement complex located on Greensfelder Lane off Thornview Drive.

In order to be an eligible tenant, a person must be at least 57 years of age and a current Sharonville resident for at least one year; or be a parent, grandparent, or sibling of a current Sharonville resident who has resided in the City for one year.

Golden View Acres has first and second floor units and one and two bedroom apartments. Each apartment has an equipped kitchen with stove and refrigerator, gas heat, hot water, and air conditioning. Tenants pay their own utilities except water. There are coin operated laundry facilities in each of the three buildings. When renting an apartment an initial security deposit equaling one month's rent is required. After signing the lease, **THE RENT WILL NOT BE RAISED** unless an additional tenant occupies the same apartment or the current tenant moves to another apartment in the complex. At that time, a new rental agreement is required to be signed at the current rate.

To be placed on a WAITING LIST to rent an apartment, a written application must be made and a \$50 fee deposited. This fee is refundable when you rent an apartment or request, in writing, to be removed from the Waiting List.

## SHORT-TERM RENTALS UPDATE

Recently the City of Sharonville approved the regulation of short-term rentals. Previously there was no regulation of short-term rentals in the City. However, the City desires to protect the health, safety, welfare, and quality of life of neighborhoods while preserving existing single family residential structures in Sharonville. As a result, a ban on short-term rentals has been implemented in order to maintain quiet, clean, orderly, safe and stable single family residential neighborhoods in the City.

Short-term rentals are defined as a residential structure or part thereof,

located in any Single Family Zoning District of the City of Sharonville, which is leased or rented for a period of 30 or fewer calendar days in length. If a person violates this chapter/ordinance, they are guilty of a minor misdemeanor and shall be fined up to one hundred dollars (\$100.00); any such violation shall constitute a separate offense on each successive day continued. The legislation on short-term rentals is outlined in part seven of the Business Regulation Code Chapter 714.

If you have any questions, please contact the Department of Community Development.

## Sharonville 2030 Plan Your Vision - Our Plan

### YOU'VE TOLD US WHAT YOU WANT WE ARE LISTENING!

The City has been overwhelmed with support of over 300 participants who have attended public meetings and a workshop to discuss the future of Sharonville. In January, the City had 80 members of the community circle up around tables to draw opportunities and ideas for Sharonville 2030. In April, the City hosted an additional public meeting which captured the attention of the roughly 75 employees, who come in to the City for work, to ask them for their 'big ideas' on how we can improve the work environment here in Sharonville.

After all of the public meeting information had been summarized, the City has come up with Five Themes to focus on throughout the Sharonville 2030 Plan. The top 5 themes were reviewed and improved at the May Public Workshop and the Public Open House held in June.

At the May Public Workshop, community members were able to work strategically on four small areas: Connectivity, The Downtown Sharonville Loop, Sharon Road Gateway, and Lebanon Road Corridor. Take a look and see what you think!

The City would love your feedback before they move to adoption of the plan in Fall 2019. Continue to stay up to date on Sharonville 2030! The document, shown in blue, is being drafted now. Maps and text will be available online at [www.sharonville2030.com](http://www.sharonville2030.com) for public review and feedback before the plan is adopted. If you would like information on how to get involved in this process, stop by the Department of Community Development or give us a call at 513-563-0033.

### DRAFT THEMES FOR SHARONVILLE2030

#### Theme #1: Improve Connectivity

- Sharonville will strive to create safe connection between neighborhoods and key areas such as the Downtown Sharonville Loop and the Sharonville Community Center, etc.
- Sharonville will work with Sharon Woods to develop more pedestrian and shared-use connections within the community.

#### Theme #2: Capitalize on Our Economic Momentum

- Sharonville will continue to take advantage of existing and new economic development tools to attract new businesses while supporting existing businesses.
- Sharonville will continue to market itself as a place for new local businesses, especially restaurants and small-scale shopping.

#### Theme #3: Enhance Community Amenities

- Sharonville will seek out more opportunities to host programs, activities, and special events to benefit and engage the community and to increase the City's regional presence.
- Sharonville will work to expand on facilities and programming of its Parks and Recreation Department.

#### Theme #4: Preserve Our Neighborhoods

- Sharonville will continue to actively administer and enforce zoning, property maintenance, and other codes for the purposes of protecting the stability of our neighborhoods and city.
- Sharonville will look for opportunities to expand housing options around downtown and in other strategic areas to provide opportunities for the existing workforce to have the ability to live in Sharonville and so residents have options to age in place.

#### Theme #5: Redefine the Vision for Our Places

Sharonville has several unique places and corridors that are an integral part of the City's identity and vibrancy. The City will work to establish a specific vision for the future of:

1. The Downtown Sharonville Loop
2. Sharon Road Gateway
3. Lebanon Road Corridor
4. Northern Lights District

How scholars interpret scientific findings by applying formulas and reasoning skills will enhance their scientific literacy skills. Students will complete a series of science and math challenges designed to increase observation, data collecting, graphing and analyzing data.
