What is the Process if a Property appears to be in Violation of Property Maintenance or Zoning Code?

The Community Development Department employs a Code Enforcement Officer to handle such concerns. If you know of a potential violation, FIRST please check to see if it has already been reported to the City, saving you time! Go to www.sharonville.org/500/Code-Enforcement. Or visit www.sharonville.org, select Community Development under the City Office heading, and then select the Code Enforcement on the left-hand side. Either option allows you to check the link for a list of known property maintenance and zoning violations. If the property in question is not on the list, you have three options to report the concern.

- Email: codeenforcement@cityofsharonville.com
- Online: www.sharonville.org/420/Report
- Call Community Development Department at 563-0033

When reporting a potential violation, have the address if possible or other descriptive information if the violation will not be visually obvious from the public street. Once a potential violation is reported, it is added to the list for upcoming inspections to determine if any potential code violations exist.

If a violation is found, a written Courtesy Letter or Official Notice of Violation is issued to the owner of the property with a time limit, up to 30 days, to remedy the situation. If the violation is not addressed and there are not extenuating circumstances, the City can initiate legal action against the owner of the property through the Sharonville Mayor’s Court. At times, the entire process can be quite lengthy, especially if the Notice of Violation is not complied with.

When viewing the Code Enforcement Report on the City’s website, you are viewing the cases being actively worked as well as the most recently closed cases. At the time of publishing, 341 cases were reported, investigated and resolved for 2019.

Message from the Mayor

On a beautiful October day, 300 Sharonville residents, city employees, local businesses, Kiwanians, Princeton High School Varsity basketball players, scout packs and troops, and church parishioners gathered for the first ever Sharonville Serves event at Sharonville United Methodist Church. Over that day, our City gave hope to children around the world by packing 70,200 meals with Hands Against Hunger for starving children in Haiti. It was a great way to kick off the Season of Giving and a constant reminder that our City is THE Sharing-ville Community.

Throughout November and December, our City explodes with opportunities to make a difference in the lives of our neighbors. For over 15 years, the Sharonville Police Association has sponsored a Shop with a Cop day. Through donations from local businesses and community members, our City police officers shop with 30 elementary and 15 middle school students to help those kids enjoy a joyous holiday season for themselves and their families. In addition to the year-round availability of their food pantry, the Sharonville Christmas Fund works with our community to provide Thanksgiving meals and Christmas presents for adopted families. The Sharonville Convention Center, in collaboration with the center’s catering management - Spectra Food Services, and Ohio Valley Goodwill Industries hosts the annual Homeless Awareness Dinner. Goodwill’s Special Projects Team coordinates transportation for 300 guests from nine different Greater Cincinnati homeless shelters to sit down to one of our center’s hot meals and enjoy a little special entertainment.

But the need obviously goes beyond just these two months of the year. That is why I have encouraged our city employees to reach out to our community’s non-profit organizations for opportunities that they can give back and make a difference. Through our Sharonville Gives initiative, your city employees over the past year have given over 175 hours of volunteer service to organizations like Sharonville Elementary School, the mobile food pantry, St. Michael’s School, and the Princeton Closet. Each person we help to lift up from a difficult situation is a way that we empower our community. I proudly wear my “I Love Sharonville” t-shirts because of the sacrifices of time and treasure that our city employees, our city residents, and our city businesses, share with these and many other unmentioned groups. May our generosity continue to flow and make a positive change in our community and our world.

**FENCING REGULATIONS**

Constructing a fence on your property, even in the back yard, requires a zoning permit. There are separate rules that apply to privacy or solid, opaque fences which require a Conditional Use Permit. Failure to follow zoning guidelines could lead to negative consequences for the owner and abutting neighbors that are preventable. Please be aware that most fence companies place the burden of getting the permit on the property owner.

General guidelines:

- All fences require a zoning permit and review and approval by the City Zoning Official.
- The Zoning Permit application must include a site plan showing the location of the proposed fence. The City may be able to provide a site plan for your convenience.
- Fences may not extend beyond the front of the main structure (house) on the residential property.
- Fences in residential areas may not be taller than six (6) feet.
- It is the responsibility of the applicant/property owner to ensure that the fence is constructed on the property and within the boundaries of the property. The City does not provide private surveying services.
- Privacy fences require a Conditional Use Permit. There is a separate fee and review/approval process for privacy fences.
- A permit is not required for the repair of an existing, approved fence provided there is no change in the fence type, location, and height. The fence repair must be like for like material and location.

Residential subdivisions that are part of a Homeowners Association (HOA) may have to review and approve fences within the subdivision. Also, many residential properties have private drainage easements up to five (5) feet in width (often termed drainage swales) that run alongside and rear property lines that are reserved to carry and divert storm water away from building foundations. These easements may not be apparent, but placing fences in these easement areas, if not done correctly, can create major drainage issues for residential properties.

Contact the Community Development Department for questions, comments or any Planning and Zoning requests.

**SHARONVILLE 2030 IMPLEMENTATION STRATEGIES**

The City of Sharonville has engaged residents to establish a list of community goals to prioritize work over the next 10 years. A draft list of implementation strategies and priorities based on public input and discussions has been developed. This list is available for review on the Comprehensive Plan 2030 website. The list contains current and continuous projects already underway by City efforts as well as project goals broken down by short-term (within five years) versus long-term (by 2030).

Email sdircks@cityofsharonville.com with any questions or feedback regarding the plan before the implementation strategy is finalized.
ENERGY AGGRAVATION UPDATE: ‘Tis the Season?

While there may not be an actual "cold call energy scam season", it does seem like a lot of people are getting the door-to-door or dinnertime phone call pitch lately. Please remember, no matter what, you should never reveal your utility bills or anything else with personal information to some stranger who rolls up on your porch or calls you out of the blue.

The pitch lines are fast, authoritative and can be somewhat intimidating, such as:

- “I’m calling to be sure you’re getting all the discounts available from your utility.” No, they’re not. Duke utility didn’t ask them to call you, doesn’t know they’re calling you and isn’t handing out discounts willy-nilly.

- “You have been pre-approved to receive discounts on your home utility bill.” A marketing pitch that will likely trap you into a higher-priced deal.

- “I’m contacting you on behalf of the utility to verify your account number.” Nope. Duke utility is aware of your account number – remember, they assigned it to you!

Honest salespeople are willing to leave information with you so you can look it over and follow up if you’re interested. Dishonest salespeople want to get your account number, switch your supplier, and jack up your price.

Save yourself some aggravation. Join the City’s aggregation programs OR stay with Duke utility for supply OR do your own research of competitive suppliers and offers (start with the Public Utilities Commission of Ohio at https://energychoice.ohio.gov/ApplestoApples.aspx). Just don’t jump on door-to-door or dinnertime phone call offers blindly.

The Sharonville Christmas Fund

Thank you to all our sponsors who assisted with this year’s Adopt-A-Family Program. They either adopted families, or held toy, food or hygiene product drives.

Sharonville Christmas Fund
Thank You!

Thanks also to our donors who contributed money to assist with the Adopt-A-Family Program as well as help with expenses incurred year round for programs such as the mobile food pantries, in-house food pantry and providing school children with healthy snacks so they don’t go hungry during the school day or on weekends.

Electric Permitting Change

In an effort to improve customer service and provide the most convenience to residents and businesses, the City of Sharonville has changed the electric permitting and plan review process. No longer will residents and businesses have to travel to downtown Cincinnati in order to apply for electric permits. Beginning January 1, 2020 residents and businesses will be able to submit electric permit applications in the City of Sharonville Office of Community Development located at 10900 Reading Road.

In addition, the Department now accepts all major credit cards for permits and applications subject to a 3.5% service fee.

Look for changes in the New Year with a new name and logo. Same Sharonville Christmas Fund with a new look!

Winter 2020 Hometown Guide 5
SNOW REMOVAL PROCESS

• All major thoroughfares are plowed and treated first for emergency service vehicles so they can safely reach residences. Residential streets are secondary.

• When a SNOW EMERGENCY is declared, all vehicles on a street must be removed. Vehicles left unattended on a City street during a SNOW EMERGENCY will be removed by any reasonable means, including towing. Such expenses will be charged to the owner or person in control of such vehicle.

• Stay at least two car lengths behind a snow plow for every 10 mph you are traveling. Never cut in between a caravan of plows clearing a road.

• Notify Public Works of any potholes, curb, street, sidewalk or storm drainage problems in the City.

• For more information on the City’s snow policy, visit: www.sharonville.org/202/Snow-Removal.

SNOW SHOVELING GUIDELINES

• Do not shovel snow into the street.

• Older residents & those with health problems are reminded to avoid the extreme physical activity associated with shoveling snow.

PARKING GUIDELINES DURING SNOWY CONDITIONS

• When snow is predicted, do NOT park on the street.

• Park your car off the street, so streets can be plowed & treated more effectively.

• When cars are parked on the street, it is impossible to plow more than one lane.

CHRISTMAS TREE DISPOSAL

- For questions or to have recycling bags sent to your home, visit simplerecycling.com, call 866-835-5068 or email info@simplerecycling.com.

Trash Collection Reminders

Disposal of refrigerators, freezers and other appliances that contain chlorofluorocarbon (CFC) refrigerants must have the CFC removed from the appliance by a Certified Technician and have documentation attached to the appliance verifying that the CFC has been safely removed. Rumpke will then pick up the appliance on your normal trash pickup day.

Disposal of cloth couches and chairs, mattresses and box springs can be placed at the curb with normal trash pickup. These items MUST be wrapped in plastic and sealed tight with tape. Please call RUMPKE at 513-851-0122 a day in advance to notify them of a large item pickup.

Disposal of computers, televisions, fluorescent bulbs and hazardous waste cannot be placed at the curb for Rumpke trash collection. The Hamilton County and Butler County Recycling and Solid Waste Districts can help you with disposal of electronic and hazardous waste items for homeowners ONLY. Fluorescent bulbs can be taken to hardware stores (Home Depot, Lowes, and Menards) for proper disposal. For more information on recycling and the disposing of computers, televisions and hazardous waste materials:

- Hamilton County residents: Call 513-946-7766 or visit hamiltoncountyrecycles.org
- Butler County residents: Call 513-887-3653 or visit butlercountyrecycles.org

Holiday Trash & Recycling Schedule

There is NO service Christmas Day and New Year’s Day. Customers serviced on Mondays and Tuesdays will NOT be affected by Christmas Day or New Year’s Day. Service will NOT occur on Wednesday, December 25 and Wednesday, January 1. Service will be delayed one day during the rest of the week. Wednesday will move to Thursday, Thursday will move to Friday, and Friday will move to Saturday. The recycling schedule follows the same pattern for your respective week.

Recycling Saves Energy, Natural Resources & Creates Jobs

Curbside recycling, like trash collection, is a FREE service to all home and condo owners. If you are not currently recycling, please consider participating. If you need a 95 gallon recycling container or you want to upgrade to a larger container, call RUMPKE Recycling at 513-851-0122 ext. 5176 to arrange for delivery of your container. The residents of Sharonville are the key to the City’s recycling program’s success. Your dedication and cooperation will make the difference!
‘Tis the Season for Porch Pirates!

Here are some tips to help reduce the likelihood of you becoming the latest victim:

• Have packages held at a secure site. Most package delivery services (UPS, FedEx, USPS) have storefronts where you can pick up your package. Amazon also offers an option called Amazon Locker, where you receive a code via email or text that allows you to open a locker at whatever participating business you select to have your package shipped to. Many stores now offer in-store pickup as well.

• Install a security camera and advertise it. This may deter some pirates who don’t want to risk ending up on our Facebook page.

• Opt to have a signature required at the time of delivery. Requiring a signature before a package can be dropped off can provide both a safety measure and documentation.

• Specify delivery instructions. Many carriers allow you to tell them exactly where to hide your important packages.

As always, call us if you happen to be a victim of one of these pirates, or if you see anything suspicious in your neighborhood!

Lock It Up, Don’t Leave It Out

It’s holiday shopping season, and you aren’t the only one shopping. So are the grinches! Most vehicle tampering takes place at night, because thieves do not wish to be seen. They generally do not like to attract any unnecessary attention to themselves. Below are some tips.

• Keep the exterior of your home well-lit.
• Lock the doors to your vehicle.
• Make sure any valuables left inside a vehicle are out of sight, including recently purchased holiday gifts and shopping bags.

Leaving your vehicle doors unlocked does not deter crime. In fact it encourages it. Often times, these suspects will hit an entire street, neighborhood or complex at once. Because they want to hit as many as possible in as little time as possible, they check door handles. If it is locked, they keep moving. If they find several doors unlocked, they STAY in that area. They will even RETURN to an area where they scored last time. Breaking a window makes noise and attracts attention, therefore potentially ending their “shopping extravaganza.”

In cases of a broken window, it is generally found that a laptop, firearm or items of great value (like pricey holiday packages) were left in plain sight. The suspect will hit all the unlocked vehicles and return to THAT vehicle, and take a chance of being heard breaking a window, in order to get the big ticket item.

Please help us to keep our community AND HOLIDAY PACKAGES safe from a local grinch by remembering to lock it, don’t leave it, and report any suspicious activity in your neighborhood to us at (513)563-1147.

Two high school seniors were each awarded a $2500 scholarship towards their college tuition by the Sharonville Fire Department Club.

- Brian Longo, daughter of Patrick and Emmy Longo, is a 2019 graduate of St. Xavier High School. Brian attends the Ohio State University and majors in Engineering.

Questions should be directed to Cheryl Brown, Scholarship Chair at cbrown9932@gmail.com or 513-379-6050.

The Sharonville Fire department club is a 501c3 organization made up of past and present members of the fire department. All applications are blind reviewed by three non-department individuals.

**Steps to Fire Prevention**

- **Have a plan.** Every family should have an evacuation plan and a designated meeting place after leaving the house.

- **Put smoke detectors outside bedrooms.** This allows for faster activation should a fire occur, thus allowing more time to safely exit the house. Make sure to test your detectors monthly and change the batteries when you change your clocks.

- **Shut bedroom doors at night.** Every bedroom door should be closed at night. In case of a fire this slows smoke, fire and poisonous gases from the room.

- **Use candles infrequently.** Open flames start the most house fires. Candles easily ignite blankets, pillows and curtains, spreading flames within minutes. Never leave a candle unattended. Consider using electric candles instead.

- **Throw away Christmas trees after Christmas.** When they dry out, they are extremely dangerous and should be disposed of as soon as that happens. A tree can set an entire room on fire in three to four minutes.

- **Extension cords are intended for temporary use only.** If a permanent solution is needed, hire an electrician to rewire and add an outlet in the place it is needed. Do not connect multiple extension cords or power strips together.

**Heating Safety Tips**

- Keep anything that can burn at least 3 feet away from heating equipment. This same three feet is a good zone to keep children out of.
- Turn heaters off when leaving the room or going to bed. Never use an oven to heat a home.
- Have a professional inspect and clean your furnace and chimneys annually. Make sure smoke and carbon monoxide detectors are installed in your home and tested monthly.
- Never use fueled heaters such as kerosene or propane indoors.
- Always plug heaters directly into outlets; never use extension cords or power strips.

**From Our Nurse**

*Cold times often equal hard times*

- Check on your neighbors.
- If you need help, ask. We have many resources in Sharonville including an emergency food pantry and some durable medical goods.
- Watch for falls. Winter is a terrible time for slips and falls both inside and outside. Eliminate things like throw rugs, extension cords and trip hazards to help avoid this problem.

What Do I Need to Send in with My Completed Tax Return?

1. W-2 form(s)
2. Federal 1040 tax return including:
   • Schedule 1, C, E, F and/or 4797 if applicable
   • Documentation for any income reported on your Federal tax form as “other income” (line 8 on the Federal 1040 Schedule 1 form)
   • Any other federal schedules or forms which document deductions or additions to your local tax return
   • Copies of other local tax returns or refund requests you’ve filed

Why Do I Have to Include My Federal 1040 Form?

All cities in the State of Ohio require a copy of your federal 1040 form to be included with your local tax return. This helps us assure we have all the necessary paperwork and are taxing & giving credits for the correct amounts.

How Do I Pay My Tax?

• If you E-file, payment may be made by ACH or credit card within the website as you complete your return.
• Check or money order payments may be mailed in and should be made payable to “City of Sharonville Tax”.
• Payments by check, money order, cash, or credit card are accepted at the tax office.
• Payments may also be made through Official Payments either online or by phone at 1-800-487-4567.

Note: All credit card payments will incur a fee by the processing company.

All Full-Year Residents Can File Electronically

• E-filing is available at www.municonnect.com/sharonville

**What Income is Taxable?**

- Qualifying wages are defined by the IRS tax code section 3121(a). It includes many different types of income, including but not limited to wages, sick pay, vacation pay, commissions, severance pay, settlements, bonuses, fringe benefits, short-term disability pay, stock options and deferred compensation. It is usually found in Box 5 (Medicare wages) on your W-2, however there are some exceptions.
- Other income (generally listed on line 8 of your Federal 1040 Schedule 1) such as gambling winnings, HSA and scholarship distributions, director’s fees, jury duty income and prize winnings.
- The net of all profit and losses from profession and/or business operations.

**What Income is Exempt from Tax?**

- Interest, dividends, some royalties
- Capital gains (unless considered ordinary income)
- Alimony
- Military pay and allowances
- Proceeds from qualified IRS defined retirement plans
- Social Security benefits, welfare benefits, unemployment insurance benefits, workers’ compensation

This information regarding income is not all encompassing. Please contact our office if you have questions regarding the taxability of specific types of income.

**Why Do I Have to Pay Estimate Payments?**

All federal, state, and local taxes are due during the year that income is earned. Most companies withhold federal and state taxes from your paychecks, but they may not withhold local income taxes, or may withhold less tax than our 1.5% rate. If a taxpayer reasonably expects to owe $200 or more due to not having at least 1.5% local tax withheld they need to make estimate payments or may be charged penalties.

If you owe less than $200, but still wish to make estimated payments please note this on your tax return.

Second quarter estimate payments are due by June 15, 2020. For your convenience a coupon was sent with your 2019 tax return. Invoices will be sent for the 3rd and 4th quarter payments which are due on September 15, 2020 and January 15, 2021.

**Do I Get Credit for Paying Other Cities?**

Yes, credit for taxes withheld or paid to another municipality is available to residents. It is limited to 1.5% of the amount of W-2 wages taxed to another municipality, and no amounts exceeding the 1.5% limit will be credited toward additional taxable income. Credits for taxes paid for business income are also limited to 1.5% and are pro-rated based on percentage of total business income. Documentation is required for any credit. There are no credits given for county, mental health, or school taxes paid.

**Net Operating Losses for 2019 Tax Returns**

Residents with Business Income: Unused losses allocated to Sharonville from tax year 2016 may still be used at 100% to offset any 2019 profits; however due to changes in State law your 2017 & 2018 losses will be limited to the lesser of 50% of the 2017 and 2018 losses or your net profit. There is a form to help you calculate the allowable deduction on the back of the Sharonville IR tax form.

**How Can I Get an Extension?**

If you have received a federal extension to file, you automatically can have an extension with the City of Sharonville until October 15, 2020. A copy of the extension must accompany the filed tax return to avoid penalties. If you do not apply for a federal extension you may request an extension in writing with our office by April 15, 2020. Please remember that an extension to file does not give you an extension to pay your taxes, so be sure to make all payments by April 15th.

**Property Taxes**

The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years. For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor’s office at (513) 946-4000 or the Butler County Auditor’s office at (513) 887-3154. Links to these offices are available on the Sharonville website.

**School District Tax**

The City of Sharonville is within the Princeton City School District. The code for state income tax form purposes is 3116.
