# Message from the Mayor

The cover of our Winter 2020 Hometown Guide was a picture of an upside-down snowman. I don't pretend to believe our City staff is prescient but what a fitting image for what was to come in 2020. Much of what we know, how we interact with each other, and how we live our lives has been turned upside-down in the last year due to the coronavirus. We all continue to struggle with the effects that this pandemic is having on our lives. The same applies to our City and how, as your leaders, we determine and meet our community's needs. Despite these struggles, I am pleased to continue to report that the State of our City is strong and that snowman is getting back onto its feet.

For many of you, this pandemic has had a significant impact on your budget - how much money you expected to make and how you spend that money. Fortunately, due to conservative and cautious budgeting over the last several years, Sharonville has been able to meet its budgeted revenue expectations and underspend budgeted expenditures for 2020. This has enabled us to provide the same quality public works, fire and police services that you have come to expect. We have also had the ability to adapt our recreation services to provide much needed outlets for safe recreational activities to our resident and business community. And thanks to our strong financial position, the City has been able to pass along federal funding directly to struggling small businesses in our community by providing approximately \$150,000 in grant money to businesses impacted by COVID-19.

The City also spent this time planning for our future together. After multiple sessions and input from our community, City Council passed a new Comprehensive Plan for the the City of Sharonville. Our last plan was completed in 1984. All you have to do is look at fashion and hairstyle choices to know that much has changed in the last 36 years necessitating a need to define what priorities our City should be pursuing over the coming decades. The Comprehensive Plan identified Five Themes - Pursue Responsible Community Development, Capitalize on Our Economic Momentum, Improve Connectivity, Enhance Community Amenities, and Re-Define a Vision for Our Places - and implementation strategies within those themes for the community to work toward. You can view the entire adopted comprehensive plan online at [sharonville2030.com](http://sharonville2030.com).

As we enter into 2021, there is much to be hopeful for in the City of Sharonville. We continue to look forward to an end to the pandemic and a return to the many events and activities that bring our community together. In the meantime, the City continues its commitment to our residents and businesses to meet and exceed your expectations of service. I wish you all a very Safe and Happy New Year.

*Kevin M. Hardman*

## I KNOW IT'S IMPORTANT TO WEAR MASKS, BUT BUYING AND REPLACING MASKS IS BECOMING COST PROHIBITIVE. WHAT ARE MY OPTIONS?

Ford Motor Plant here in Sharonville generously donated 54,000 masks to the City of Sharonville. If you are in need of masks, you can stop by the Community Center or Administration in the City Building to pick up some for you and your family.

We recognize that, as households' bottom-line has been impacted by COVID, so has the cost of supplying masks for your families. That's why we've worked so hard to distribute masks to those in need throughout our community. We have passed out masks at Halloween to kids trick-or-treating, at our mobile food pantry, to the four Princeton schools in our city limits, the Princeton transportation center, our senior housing, held two pick-ups at parks in our community, and interested small businesses had the opportunity to pick some up from the City building. If you are in need of masks, they are bagged and available for pick-up at our Community Center. Thank you, Ford!

### WHAT DO I NEED TO BRING WITH ME OR SEND IN WITH MY SHARONVILLE TAX RETURN?

2. Federal 1040 tax return including:
  - Schedule 1, C, E, F and/or 4797 if applicable

## WHY DO I HAVE TO INCLUDE MY FEDERAL 1040 FORM?

## HOW DO I PAY MY TAX?

- Payments by check, money order, cash, or credit card are accepted at the tax office. If payment is by debit or credit card the processing company does charge a fee.
- Payments may also be made through Official Payments either online or by phone at 1-800-487-4567. Official Payments charges a nominal fee for this service which may be calculated using the fee calculator available.

It includes many different types of income, including but not limited to wages, sick pay, vacation pay, commissions, severance pay, settlements, bonuses, fringe benefits, short-term disability pay, stock options and deferred compensation. It is usually found in Box 5 (Medicare wages) on your W-2, however there are some exceptions.

- The net of all profit and losses from profession and/or business operations.

## WHAT INCOME IS EXEMPT FROM TAX?

- Interest, dividends, some royalties
- Capital gains (unless considered ordinary income)
- Alimony
- Military pay and allowances
- Proceeds from qualified IRS defined retirement plans
- Social Security benefits, welfare benefits, unemployment insurance benefits, workers' compensation

This information regarding income is not all encompassing. Please contact our office if you have questions regarding the taxability of specific types of income.

## WHY DO I HAVE TO PAY ESTIMATE PAYMENTS?

All federal, state, and local taxes are due during the year that income is earned. Most companies withhold federal and state taxes from your paychecks, but they may not withhold local income taxes, or may withhold less tax than our 1.5% rate. If a taxpayer reasonably expects to owe \$200 or more due to not having at least 1.5% local tax withheld they need to make estimate payments or may be charged penalties.

If you owe less than \$200, but still wish to make estimated payments please note this on your tax return.

Second quarter estimate payments are due by June 15, 2021. For your convenience a coupon is sent with your 2020 tax return. Invoices will be sent for the 3rd and 4th quarter payments which are due on September 15, 2021 and January 17, 2022.

## DO I GET CREDIT FOR PAYING OTHER CITIES?

Yes, credit for taxes withheld or paid to another municipality is available to residents. It is limited to 1.5% of the amount of W-2 wages taxed to another municipality, and no amounts exceeding the 1.5% limit will be credited toward additional taxable income. Credits for taxes paid for business income are also limited to 1.5% and are prorated based on percentage of total business income. Documentation is required for any credit. There are no credits given for county, mental health, or school taxes paid.

## NET OPERATING LOSSES FOR 2020 TAX RETURNS

Residents with Business Income: Unused losses allocated to Sharonville from tax year 2017 through 2019 will be limited to the **lesser** of 50% of the total 2017 through 2019 losses or your 2020 net profit. There is a form to help you calculate the allowable deduction on the back of the Sharonville IR tax form.

## HOW CAN I GET AN EXTENSION?

If you have received a federal extension to file, you automatically can have an extension with the City of Sharonville until October 15, 2021. A copy of the extension must accompany the filed tax return to avoid penalties. If you do not apply for a federal extension you may request an extension in writing with our office by April 15, 2021. **Please remember that an extension to file does not give you an extension to pay your taxes, so be sure to make all payments by April 15th.**

## PROPERTY TAXES

The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years. For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor's office at (513) 946-4000 or the Butler County Auditor's office at (513) 887-3154. ## SNOW REMOVAL PROCESS

- All major thoroughfares are plowed and treated first for emergency service vehicles so they can safely reach residences. Residential streets are secondary. For cul-de-sacs, please be patient. Large snow removal equipment often makes the full clearing of some of these areas impossible because of limited maneuvering ability. Alternate equipment may then be applied when storm conditions have subsided.
- Remove any portable basketball goals from the roadside, as this makes it very difficult for snowplows to maneuver around.
- When a SNOW EMERGENCY is declared, all vehicles on a street must be removed. Vehicles left unattended on a City street during a SNOW EMERGENCY will be removed by any reasonable means, including towing. Such expenses will be charged to the owner or person in control of such vehicle.
- Stay at least two car lengths behind a snow plow for every 10 mph you are traveling. Never cut in between a caravan of plows clearing a road.
- Beware of “black ice,” roads that look wet but actually are glazed with ice. Ramps and bridges freeze first.
- Notify us of any potholes, curb, street, sidewalk or storm drainage problems in the City by using the City’s website and visiting the Public Works page or calling the Public Works department.
- For more information on the City’s snow policy, visit: [www.sharonville.org/202/Snow-Removal](http://www.sharonville.org/202/Snow-Removal).

6 [www.CityofSharonville.com](http://www.CityofSharonville.com)

## PARKING GUIDELINES DURING SNOWY CONDITIONS

- When snow is predicted, do NOT park on the street.
- Park your car off the street, so streets can be plowed & treated more effectively.
- When cars are parked on the street, it is impossible to plow more than one lane.

## SNOW SHOVELING GUIDELINES

- Do not shovel snow into the street.
- Older residents & those with health problems are reminded to avoid the extreme physical activity associated with shoveling snow.
- It is recommended to NOT shovel your entire driveway before a snow plow reaches your street as snow plows are on fixed angles. The ability to change direction is very limited. The City is not responsible for snow that is plowed from the street and re-deposited in private driveways. Plow operators have very few choices as to where the snow can go.

## CHRISTMAS TREE DISPOSAL

## DISPOSAL OF MEDICINES

Do you have medicine you want to get rid of? The best way to safely dispose of most types of unused or expired medicines, whether prescribed or over-the-counter, is utilization of a Drug Take Back Program.

Sharonville Police Department provides our community with two kinds of take back options for safe disposal. As an authorized collection site, we have a PERMANENT drop box in the lobby of our Police Department to be accessed year-round. In addition, twice a year, our department participates in the National Drug Take Back Day events hosted by the U.S. Drug Enforcement Agency. These national events, usually hosted in April and October, aim to provide a safe, convenient, and responsible means of disposal for prescription drugs, while also educating the public about the potential for abuse of medications.

DEA's reported results from the most recent National Take Back Initiative (NTBI) held on October 24th: The Cincinnati/N. Kentucky area had around 48 agencies participate, bringing in 460 boxes weighing 7,203.84 pounds. SHARONVILLE POLICE turned in 12 boxes weighing 120.75 pounds from our collection site alone! A whopping 985,392 pounds were turned in nationwide, more than any other NTBI.

- Pills and patches can be accepted in our permanent box at any time.
- Liquids can be accepted during National Drug Take Back Day events.
- Please visit [https://deadiversion.usdoj.gov/drug\\_disposal/](https://deadiversion.usdoj.gov/drug_disposal/) for additional disposal direction.

# FIRE DEPARTMENT

## SHARONVILLE FIRE DEPARTMENT GETS A FOUR-LEGGED EMPLOYEE

Sonnet is a Labrador purchased by the Bureau of Alcohol, Tobacco, Firearms & Explosives (ATF) from the Guide Dogs for the Blind Foundation. She will serve as our department's first arson canine. Lieutenant Chris Ellis was selected from the department to be the handler.

Sonnet's training began with learning to detect six different types of odors prior to Lt. Ellis arriving for training. The training consisted of searching multiple cans with odors present while ignoring food and negative samples. Training is held at the National ATF canine training facility in Front Royal, Virginia. Lt. Ellis had three days of classroom lecture on how to utilize a canine and to properly take care of her before being matched to her.

The pair continues to train together two or three times a day in which she detects odors in order to receive a food reward. It's how arson canines are fed each day. She learns to detect odors in cans, clothes, carpet, hardwood, linoleum, furniture, fire scenes when available, and will be trained to find accelerants in vehicles and on people. They will complete their training December 11th.

Sonnet will be available for fires within the City of Sharonville, throughout Hamilton County and surrounding counties, and can also be requested to travel throughout the U.S. at the request of ATF to assist with national response call-outs.

The initial training costs of the dog and handler are covered by the ATF. The department is responsible for providing a designated vehicle and food and vet care for the service life of the dog. Through extensive fundraising efforts and donations, the funding has been covered at no cost to the department. Donations and assistance have been made from 1-800-Boardup, 1-859-Boardup, Parr Safety, Hamilton County Fire Chiefs, Ford Motor Company, Blue Ash Protective Agency, Texas Road House, Raising Canes, and many others.

**Welcome to Sharonville, Sonnet!**

We have a story-map to support local businesses and the City's efforts with the Food Train, the temporary outdoor dining allowance, and the DORA. Check it out at <https://tinyurl.com/y2fkb59q>.

A story map is a web map that has been thoughtfully created, given context, and provided with supporting information so it becomes a stand-alone resource. **2020 Adopt-A-Family**

Thank you to our sponsors for making this year's Adopt-A-Family program successful.

**ENERGY AGGREGATION UPDATE**

If you are participating in Sharonville's latest electric aggregation program (you received mailed notification of the program in early November and did not Opt-out by the November 24, 2020 deadline), Energy Harbor will begin supplying your power in December or January, depending on the timing of your meter read. To confirm enrollment, look for Energy Harbor's name and logo along with the aggregation's fixed price (\$0.0472) to appear on your Duke Energy bill received in January or February.

If you did not receive program information, likely you are currently under contract with another supplier (again, check your bill for details) or are participating in Duke Energy's PIPP program. If you want to participate, call Energy Harbor toll-free at 1-866-636-3749 and ask to join the City of Sharonville's electric aggregation program. If you were enrolled in the program and do not want to participate, you can cancel with Energy Harbor anytime without penalty. Simply call the toll-free number and ask that your account be returned to the utility for supply.

## SYO Basketball Entrance/Exit Procedures

The 2020-2021 SYO Basketball Season is taking on a new look at the Community Center. As you may have noticed, the parking lot looks a little different. A basketball only entrance/exit is at the doors of the Community Center Gym facing Creek Road. The parking lot along the east side of the gym is employee parking only. The spaces near the building are coned off to allow for basketball players to safely walk to the entrance. The entrance to the gym is used by players, coaches and spectators for games and practices. During practices, players are dropped off by parents; coaches are waiting for their team near the sidewalk or tents and then head into the gym when their entire team arrives. After practices coaches walk out with their team to dismiss for pick-up. On game-days, the tents will be used as an area to scan temperatures for all involved with basketball before entering the facility. This design has been put into place to ensure the safety and well-being for all at the Sharonville Community Center.

## Refund Policy

Membership and class refunds will only be given in cases of medical circumstances (a doctor's note may be required), if the member moves, or if the class is canceled. Refunds are obtained by filling out proper paperwork at the Customer Service Desk. Checks will be sent to your residence within four weeks. If paid by a credit card, refunds will be credited back to the card that was used for the transaction.

## Community Center Access Policy

Every person entering the Community Center must stop at the Customer Service Desk to state his/her purpose of coming to the Community Center. If you are a member, please make sure to scan your membership card each time you enter the Community Center and Pools. In order to be as safe as possible and pursuant to City of Sharonville Ordinance Number 2014-13, ALL resident and non-resident guests, ages 18 years and older, purchasing a guest pass\* will be required to provide a valid driver's license or State ID Card. This card will be scanned by the "Safe Point" system against the National Sex Offenders Registry. \*Due to COVID restrictions and capacity limits, guest passes are not currently available.

The entire membership card data base is scanned through the "Safe Point" system twice a year. New members and renewal members joining the Community Center will be scanned before membership cards are given to the members. Should your driver's license or state ID Card match a National or State Sexual Offender Registry record or if you do not provide a valid driver's license or state ID card, you will not be permitted to enter the facility. There is an appeal process.

## Recreation Rentals

Rentals of many recreation facilities are currently on hold due to COVID-19 guidelines and capacity limitations. All outdoor picnic shelter reservations for 2021 will not begin until March 1, 2021.
