Earlier this year Northern Tool opened their first location in Greater Cincinnati in the Crescent Springs' Buttermilk Crossing shopping complex.

They are expected to open before the end of November. This will be just in time to begin shopping for the "handy" person on your gift list. Stay tuned and follow us for details on the grand opening celebration.

Best Hometown Presented at Christmas on the Loop

Ohio Magazine will officially present the Best Hometown honor to Sharonville at our annual Christmas on the Loop event. The event will be held Saturday, December 9, 11 AM – 3 PM in the Downtown Loop.

The award will be presented to Sharonville Mayor Kevin Hardman at 11 AM at Depot Square to kick off the festivities.

As part of the annual event there will be horse-drawn carriage rides around the Loop, Sharonville's small business open house with the opportunity to earn this year's exclusive ornament, music by Princeton High School students and professional carolers, inflatables, face painting, an elf balloon artist and much more! The event is free and open to the public.

New businesses to the small business open house include Adesso Coffee and Charcuterie Creations. Plus, two Sharonville-based food trucks, Donut Trolley and Smore Fun, will be set up along the Creek Road event space!

Participants who visit 12 of the 18 open house businesses can earn this year's exclusive ornament commemorating our Best Hometown honor.

It's sure to be a wonderful event! All that's needed is gently falling snow to complete the Hallmark movie scene!
