

HOMETOWN GUIDE **FALL** 2024

Message from the Mayor

A few nights ago, I received a message from a former school classmate, Sunny. She wondered if I could help her celebrate some major milestones in the lives of a couple who truly impacted her life here in our community. Pat and Joe Aulick are celebrating their 80th birthdays and their 60th wedding anniversary this year. Pat and Joe have lived in the City of Sharonville for 57 years, raised their two daughters here (who also both remain lifelong residents of our City), volunteered for their kids' and grandkids' Princeton schools and athletic organizations, actively participate in the ministries of Sharonville United Methodist Church, and maintain the entrance to their current Sharonville neighborhood. Pat and Joe's hometown generosity follows them outside our City limits as they also regularly volunteer at Give Kids the World - an Orlando, Florida destination for children with critical illnesses and their families. I was more than happy to help Sunny celebrate Joe and Pat by proclaiming August 24, 2024, Pat and Joe Aulick Day in the City of Sharonville.

This is one of those little powers I have as Mayor of our great City. And, for me, one of the most rewarding and enjoyable. It is great to hear of the accomplishments of residents and friends of our town. Over the last few years, here's a sampling of the people I've had the honor to recognize: the 2023 Princeton High School Girls Basketball Team on their State Championship title; the 100th and more birthdays of Sharonville residents Ruth Lasky, Cliff Reusch, Lilyan Russell, Anna Mae Todd, and Lillie Warthen; Cliff Hardware and Eli Wickemeier for their years of commitment; former Sharonville Shark Adam Chaney on his performance at the 2024 Olympic swimming trials; former Sharonville Elementary teacher and current Princeton School Board member Susan Wyder on her recognition by the Character Council of Cincinnati; and since becoming Mayor, the following Scouts for having achieved the highest rank of Eagle – Logan Heister, Jacob Thaman, Jacob Kaufman, Brennan Dial, Michael Hayworth, Peter Noertker, Ethan Hoffman, Nicholas Perera, Matthew DeBrunner, Thomas Sharpshair, Brandon Rendering, Zachary Schwab, Jack Nuttin, Alexander Schwab, Dylan Coyle, Nicholas Ward, and Kaitlyn Higgins(our first female Sharonville Eagle Scout).

Thank you for sharing with me, other elected officials, and our City staff, your extraordinary contributions. Keep letting us know how we can help you recognize special people in your life that make Sharonville a great HOMETOWN and THE place to live, work and play!

FIRE DEPARTMENT

FIRE PREVENTION WEEK IS OCTOBER 6 - 12

2024 Theme:

Home Fire Escape Plans - Get Out, Stay Out!

Once a fire starts in your home you may have as little as two minutes to escape. A few simple things can be done to ensure your family's safety.

In Advance:

- Install working smoke detectors on every level of your home and in all sleeping quarters.
- Design and practice a fire safety plan with your family.
- Inspect and identify access to escape routes.
- Have two ways out.
- Determine a DESIGNATED MEETING PLACE for all family members.
- Practice your safety plan twice a year.

In Event of a Fire:

- Feel your bedroom door for heat and look for smoke. If the door is closed and smoke is coming from underneath it, then use the window.
- If there is smoke in your house, **STAY LOW AND GO.**
- Meet at the predetermined designated meeting place.
- **ONCE OUT, STAY OUT.** Never go back into the house, not even for a pet.
- Make sure someone has called 911.

Planning and practicing saves lives.

Forms and instructions are
available on the City's website.

Reminder – All residents of Sharonville 18 years and older are required to file a Sharonville tax return each year.

WHAT ARE THE ESTIMATE TAX DUE DATES?

Invoices will be sent this year for the final quarterly payment which is due on or before January 15, 2025. Failure to pay at least 90% of your 2023 tax liability by this time may result in a 15% penalty.

WHY DO I HAVE TO PAY ESTIMATE PAYMENTS?

All federal, state, and local taxes are due during the year that income is earned. Most companies withhold federal and state taxes from your paychecks, but they may not withhold local income taxes, or may withhold less tax than our 1.5% rate. If a taxpayer reasonably expects to owe \$200 or more due to not having at least 1.5% local tax withheld, they need to make estimate payments or may be charged penalties. If you owe less than \$200 but still wish to make estimate payments please note this on your tax return.

DID YOU FORGET TO FILE YOUR SHARONVILLE TAX RETURN?

Please file as soon as possible. Mail your return or stop by our office for assistance. Continuing to delay filing will only increase possible penalties.

FILED A FEDERAL EXTENSION?

All 2023 local tax returns with a Federal extension are due by October 15, 2024. A copy of the extension should accompany the filed tax return to avoid a late filing fee. Extensions only extend the time allowed to file a tax return, they do not extend the payment due dates.

EXPECTING A REFUND?

Refunds are processed in the order received. You should expect a check to arrive within 90 days.

RECEIVED A LETTER ASKING FOR MORE DOCUMENTS?

If we didn't receive all the required documents (W-2s or federal forms), a request is sent to verify the data on your tax return. Please send the requested information in as soon as possible so your tax return can be completed. Failure to send in these documents can result in lost credits, late filing fees, or additional charges if a payment is subsequently due.

6 www.CityofSharonville.com

WORKING FROM HOME DURING 2024?

If you are working from your Sharonville residence 100% of the time or on a hybrid schedule, your employer is generally required to withhold 1.5% of your wages and remit those taxes to the Sharonville Tax Office. There are some exceptions; we can discuss your personal situation with you.

HOW DO I PAY MY TAX?

- Bi-monthly invoices are sent for all tax balances. If you have questions regarding any balance due, please call.
- Check or money order payments may be mailed in or placed in the secure drop box by our front door and should be made payable to "City of Sharonville Tax".
- Payments by check, money order, cash, or credit card are accepted at the tax office.
- Payments may also be made through ACI Payments either online or by phone at 1-800-487-4567. **ACI Payments does charge a nominal fee for this service which may be calculated using the fee calculator available.*
- If your balance has been sent to the Ohio Attorney General all payments must be paid directly to them at P.O. Box 89471, Cleveland OH, 44101. If you have questions, contact them at 1-888-871-8838 or visit their web site at www.ohioattorneygeneral.gov.

PROPERTY TAXES

The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. **The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years.**

For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor's office at (513) 946-4000 or the Butler County Auditor's office at (513) 887-3154. Links to these offices are available on the Sharonville website.

SAFE ROUTES TO SCHOOL IMPROVEMENTS

In 2021, the City of Sharonville was awarded a grant from the Ohio Department of Transportation to participate in the Safe Routes to School program, which studies and seeks to promote active transportation among school children. Sharonville's areas of study included two points adjacent to Sharonville Elementary and at the intersection of Robindale and Thornview Drive adjacent to Evendale Elementary.

Proposed pedestrian improvements in these two locations include ADA compliant curb ramps, distinguished crosswalk striping and signage, as well as speed reduction technologies including flashing pedestrian beacons and school zone signage. These improvements are intended to increase driver awareness of school zones and encourage reduction of speed by motorists. Implementation of the above improvements is also intended to encourage more school children to be interested in walking to and from school by enhancing pedestrian safety and driver awareness.

TREES, BUSHES OR SHRUBS ON PRIVATELY OWNED RESIDENTIAL PROPERTIES

The City often receives questions from concerned residents regarding trimming trees, bushes, and shrubs on privately owned residential properties, particularly in the front yard. There are no enforceable regulations to compel the owner of a residential property to trim trees, bushes, or shrubs that are planted on residential properties to achieve a high aesthetic standard like uniformity requirements of living in an HOA governed community. The city can only enforce trimming and/or removal when such growth hinders the public uses of abutting public sidewalks or streets.

The city does actively enforce complaints against high grass in lawn areas of privately owned residential properties. Once a violation is confirmed, a notice is sent to the offending property. If the tall grass is not mowed within 7 days of the post date, the City will send a crew from the Public Works Department to the property to cut the grass. The total costs incurred by the City to cut the grass has a minimum charge of \$250.00. Depending on the size of the area to be mowed, height of grass, fuel and personnel, the costs can be much higher. The costs associated with mowing the offending property are billed directly to the property owner and if they are not paid within thirty (30) days, the City will include the total costs to the Official Tax Duplicate in the form of a lien on the offending property.

THE VALUE OF BUILDING SETBACKS ON PRIVATELY OWNED RESIDENTIAL PROPERTIES

During periods of heavy rainstorm, water often collects along the side and rear property lines. Your property is graded in such a way as to move storm water away from your home's foundation toward these lower elevation areas. Referred to as drainage swales, they vary in width for the collection and transmission of storm water that falls onto private residential properties. That is why it is important to maintain the building setback requirements applicable to residential properties that require a minimum five-foot setback from all side and rear property lines for structures.

Placing a structure, even a small shed, in these setback areas can block or alter storm water drainage patterns, within these drainage swales, that can have negative consequences for your property or an abutting neighbor during periods of heavy rain. Please keep these areas clear of buildings, sheds, stacks of firewood sitting on the ground, and even landscaping beds. Fences are permitted along both side and rear property lines; however the bottom of the fence must be a minimum of four inches (4") above the ground so as not to block or impede storm water drainage.

SEASONAL REMINDERS

FALL:

- There is **NO** leaf pick up program in the City of Sharonville – raking leaves into the street gutters is not permitted.
- Raking leaves into the gutter causes catch basins to back up and flood streets. Rake and bag leaves for pick up and disposal with Rumpke on your trash days. Rumpke has a 10 item limit.
- If you have a storm culvert that runs along your property line or under your driveway, it is the homeowner's responsibility to keep these culverts and the inlets clear of leaves and debris. Clogged culverts affect drainage upstream and flooding on roadways and surrounding areas.

WINTER:

- During a snowstorm, do NOT park vehicles on the street. Cars parked on the street create additional obstacles and restrict visibility. Parking your vehicle in your driveway allows for a more complete clearing of your street. Wherever practical, we will attempt to keep the snow build-up to a minimum. We are unable to remove plowed snow from in front of driveways. This is the responsibility of the property owner and/or tenant. Do not shovel snow into the street.
- Older residents and those with health problems are reminded to avoid physical activity associated with shoveling snow.
- Stay at least two car lengths behind a snow plow for every 10 mph you are traveling. Never cut in between a caravan of plows clearing a road.
- Beware of black ice, roads that look wet but actually are glazed with ice. Ramps and bridges freeze first.
- Winter weather brings potholes and other unsafe conditions. Please notify Public Works of any curb, street, sidewalk or storm drainage problems in the City. The Public Works Department will attempt to correct the safety problems in a timely manner.

BRUSH AND SPECIAL PICK-UP SERVICE

- Curbside brush and special pickup is a FREE year-round service (unless it is snowing and we are treating the roads) to residents.
- Residents must call **before 5:00 PM Friday** to have their address put on a list for pick up the following week. Have the materials out for removal on Sunday evening of the requested service week.
- Brush chipping is limited to 15 minutes per stop. If there is additional debris left after 15 minutes, residents must call to get their name on the list for the next week.
- Twigs cannot be picked up. They are yard waste and must be disposed of with your regular trash collection.

8 www.CityofSharonville.com

TRUCK LOAN PROGRAM

- Available until October 25th for 2024 for large trash disposal.
- Cost for homeowners is \$50 a night and \$60 for the weekend. For businesses, it is \$90 for nights and weekends.
- Call to schedule a truck.

DISPOSAL REMINDERS

- Please keep lids on trash cans at all times. Lids help keep rain water out of the cans making them manageable to handle for trash collection. Please make sure cans have useable handles.
- Refrigerators, freezers and other appliances that contain chlorofluorocarbon (CFC) refrigerants must have the CFC removed from the appliance by a Certified Technician. Attach documentation from the technician to the appliance verifying that the CFC has been removed. Call RUMPKE at 513-851-0122 a day in advance of your normal trash pickup day to notify them of an appliance pick up. There is paperwork on Rumpke's website (rumpke.com) that needs to be taped to the appliance.

- Couches, chairs, mattresses and box springs **MUST** be wrapped in plastic and sealed tight with tape at the curb for normal trash pickup. Call RUMPKE at 513-851-0122 a day in advance to notify them of a large item pickup.

- Computers, televisions, fluorescent bulbs and hazardous waste cannot be placed at the curb for Rumpke trash collection. The Hamilton County and Butler County Recycling and Solid Waste Districts can help you with disposal of electronic and hazardous waste items for homeowners ONLY. Fluorescent bulbs can be taken to hardware stores (Home Depot, Lowes, and Menards) for proper disposal. For more information on Recycling and the disposing of computers, T.V.'s and hazardous waste materials:

Hamilton County: 513-946-7777 or hamiltoncountyr3source.org
Butler County: 513-887-3653 or butlercountyrecycles.org

MAILBOX MAINTENANCE

**Shake Shake Shake,
Shake Shake Shake,
Shake Your Mailbox**

The Sharonville Department of Public Works asks residents who have mailboxes at the road edge to prepare for winter by shaking their mailbox.

The initiative is intended to prevent mailboxes from being damaged by snow pushed off the road by snowplows. When snowplows go by, most times, they don't actually touch the mailboxes. However, the force of snow thrown from the roadway is enough to knock down a loose mailbox. Damage can often be prevented by proper routine maintenance.

Taking time to tighten screws and secure mailboxes to posts early in the year can reduce winter headaches in the future. If the mailbox moves when shaken, it probably won't withstand standard snow-removal operations and should be repaired or replaced before winter.

TRASH & RECYCLING HOLIDAY SCHEDULE

Service will **NOT** occur on Wednesday, December 25 and Wednesday, January 1. Service will be delayed one day during the rest of the week.

GOLDEN VIEW ACRES

Golden View Acres is a 52-unit Senior Retirement Village located on Greensfelder Lane off Thornview Drive. To be eligible for tenancy, a person must be at least 57 years of age and a current Sharonville resident for at least one year; or be a parent, grandparent, brother or sister of a current Sharonville resident who has resided in the City for one year.

Golden View Acres has both first and second floor units and one and two bedroom apartments. Each apartment has an equipped kitchen with stove and refrigerator, gas heat, hot water, and air conditioning. Tenants pay their own utilities except water. There are coin operated laundry facilities in each of the three buildings. The complex is a "Smoke Free" facility. After signing a lease agreement, THE RENT IS NOT RAISED unless an additional tenant occupies the same apartment or the current tenant moves to another apartment in the complex. At that time, a new rental agreement is then drawn up at the current rate.

To be placed on a WAITING LIST to rent an apartment, a written application must be made and a \$50 fee deposited. This fee is refundable when you rent an apartment or request in writing to be taken off the Waiting List.
