Christmas on the Loop New Feature

This year's Christmas on the Loop event will have a NEW attraction – Ice Skating! The ice skating rink will be set up in the city parking lot between PNC Bank and the Society of Historic Sharonville. It is free and skates will be available.

Christmas on the Loop is Saturday, December 14, 11 AM – 3 PM, but ice skating will be offered for longer hours, 10 AM – 6 PM to give plenty of opportunity for you and your family to check it out.

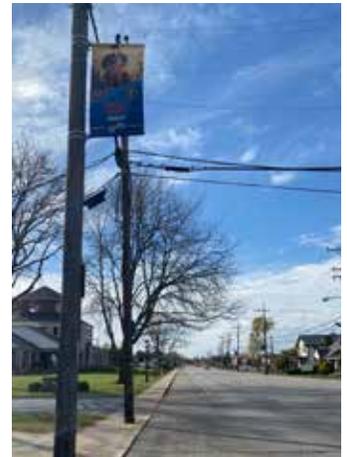

Returning favorite attractions include carriage rides, bounce house, small business open house, musical entertainment and food trucks.

Celebrating Our Hometown Heroes

On November 1st we debuted our Veteran Street Banner Program. Twenty-four banners recognizing military veterans, who call Sharonville their hometown, were hung on banner poles throughout our Downtown Loop. They will remain up for the month of November.

The new program was advertised through our Hometown Guide, website and social media. The application period was April 10 – July 29. These banners will be on display periodically over a 2-year cycle. With support from Elected Officials and Administration, we hope to offer the program again with a new application and 2-year cycle in 2026.

All our invited to attend our Veterans Day Program Monday, November 11th at 2PM at Patriot Pointe. Challenge Coins will be passed out to veterans in attendance who have not yet received one from the city.
